RECITALS

Borrower wishes to borrow funds from Lenders, and Lenders have, at the request of all Loan Parties, agreed to make a term loan and other extensions of credit, severally and not jointly, to Borrower from time to time pursuant to the terms and conditions of this Agreement.

AGREEMENT

Loan Parties, Agent, Security Trustee and Lenders agree as follows:

1. DEFINITIONS.

As used in this Agreement, all capitalized terms shall have the definitions as provided herein. Any accounting term used but not defined herein shall be construed in accordance with generally accepted accounting principles in Australia, as in effect from time to time (“GAAP”) and all calculations shall be made in accordance with GAAP. The term “financial statements” shall include the accompanying notes and schedules. If and when Parent is listed on NASDAQ references to “GAAP” shall be to generally accepted accounting principles in the United States of America. A reference to “\$”, “USD\$” or “dollars” means the lawful currency of the United State of America.

2. LOANS AND TERMS OF PAYMENT.

2.1. **Promise to Pay.** Borrower promises to pay Agent, for the ratable accounts of Lenders, when due pursuant to the terms hereof, the aggregate unpaid principal amount of all loans, advances and other extensions of credit made severally by the Lenders to Borrower, together with interest on the unpaid principal amount of such loans, advances and other extensions of credit at the interest rates set forth herein.

2.2. Term Loan.

(a) Commitment. Subject to the terms and conditions hereof, each Lender, severally, but not jointly, agrees to make a term loan (the “Term Loan”) to Borrower on the Closing Date (as defined below) in an aggregate principal amount not to exceed such Lender’s commitment as identified on Schedule A hereto (such commitment of each Lender as it may be amended to reflect transfers made in accordance with Schedule D or terminated or reduced in accordance with

this Agreement, its "Commitment", and the aggregate of all such commitments, the "Commitments"). Notwithstanding the foregoing, the aggregate principal amount of the Term Loan made hereunder shall not exceed USD\$15,000,000 (the "Total Commitment"). Each Lender's obligation to fund the Term Loan shall be limited to such Lender's Pro Rata Share (as defined below) of the Term Loan. If the Term Loan is less than USD \$15,000,000 then the Total Commitment is automatically cancelled on the Closing Date by a corresponding amount.

(b) Method of Borrowing. When Borrower desires the Term Loan, Borrower will notify Agent (which notice shall be irrevocable) by facsimile (or by telephone, provided that such telephonic notice shall be promptly confirmed in writing, but in any event on or before the following Business Day) on the date that is one (1) Business Day prior to the day the requested Closing Date (or such shorter period of time as Agent may agree). Agent and Lenders may act without liability upon the basis of such written or telephonic notice believed by Agent to be from any authorized officer of Borrower. Agent and Lenders shall have no duty to verify the authenticity of the signature appearing on any such written notice.

(c) Funding of Term Loans. Promptly after receiving a request for the Term Loan, Agent shall notify each Lender of the contents of such request and such Lender's Pro Rata Share of the requested Term Loan. Upon the terms and subject to the conditions set forth herein, each Lender, severally and not jointly, shall make available to Agent its Pro Rata Share of the requested Term Loan, in lawful money of the United States of America in immediately available funds, to the Collection Account (as defined below) prior to 11:00 a.m. New York time on the specified date. Agent shall, unless it shall have determined that one of the conditions set forth in Section 4.1 or 4.2, as applicable, has not been satisfied, by 4:00 p.m. New York time on such day, credit the amounts received by it in like funds to Borrower by wire transfer to, unless otherwise specified in a Disbursement Letter (as defined below), the following deposit account of Borrower (or such other deposit account as specified in writing by an authorized officer of Borrower and acceptable to Agent) (the "Designated Deposit Account"):

Bank Name: Commonwealth Bank of Australia
Bank Address: 48 Martin Place, Sydney, Australia
ABA#: 062-000
Account #: 100617627
Account Name: Peplin Limited
SWIFT: CTBAAU2S

(d) Notes. Without limiting any provision of this Agreement, the Term Loan of each Lender shall, if requested by the Lender, be further evidenced by a promissory note substantially in the form of Exhibit A hereto (each a "Note" and, collectively, the "Notes"), and Borrower shall execute and deliver a Note to each Lender. Each Note shall represent the obligation of Borrower to pay to such Lender the lesser of (a) the aggregate unpaid principal amount of the Term Loan made by such Lender to or on behalf of the Borrower under this Agreement or (b) the amount of such Lender's Commitment, in each case together with interest thereon as prescribed in Section 2.3(b).

(e) Agent May Assume Funding. Unless Agent shall have received notice from a Lender prior to the requested Closing Date that such Lender will not make available to Agent such Lender's Pro Rata Share of the Term Loan, Agent may assume that such Lender has made such amount available to it on the Closing Date in accordance with subsection (c) of this Section 2.2, and may (but shall not be obligated to), in reliance upon such assumption, make available a corresponding amount for the account of Borrower on the Closing Date. If and to the extent that

such Lender shall not have so made such amount available to Agent, such Lender and Borrower severally agree to repay to Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the Closing Date until the day such amount is repaid to Agent, at (i) in the case of Borrower, a rate per annum equal to the interest rate applicable thereto pursuant to Section 2.3(a), and (ii) in the case of such Lender, a floating rate per annum equal to, for each day from the Closing Date until such amount is reimbursed to Agent, the weighted average of the rates on overnight federal funds transactions among members of the Federal Reserve System, as determined by Agent in its sole discretion (the "Federal Funds Rate") for the first Business Day and thereafter, at the interest rate applicable to the Term Loan. If such Lender shall repay such corresponding amount to Agent, the amount so repaid shall constitute such Lender's loan included in such Term Loan for purposes of this Agreement.

2.3. Interest and Repayment.

(a) Interest. The Term Loan shall accrue interest in arrears from the date made until the Term Loan is fully repaid at a fixed per annum rate of interest equal to 8.50%. All computations of interest and fees calculated on a per annum basis shall be made by Agent on the basis of a 360-day year, consisting of twelve 30-day months. Each determination of an interest rate or the amount of a fee hereunder shall be made by Agent and shall be conclusive, binding and final for all purposes, absent manifest error.

(b) Payments of Principal and Interest. Borrower shall pay to the Agent, for the ratable benefit of the Lenders,

(i) three (3) consecutive payments of interest only (payable monthly in arrears) at the rate of interest determined in accordance with Section 2.3(a) on the first day of each calendar month (a "Scheduled Payment Date") commencing on 1 February 2008; and

(ii) thirty three (33) equal consecutive payments of principal and interest (payable monthly in arrears) at the rate of interest determined in accordance with Section 2.3(a) (a "Scheduled Payment") on each Scheduled Payment Date commencing on 1 May 2008, with the amount of each such payment of principal and interest to be as set out in Part 1 of Schedule B and otherwise calculated by the Agent to be sufficient to fully amortize the principal and interest due with respect to the Term Loan over such repayment period,

PROVIDED THAT, if the Agent is satisfied that the Borrower has after the Closing Date received at least USD\$30,000,000 in unrestricted cash proceeds net of all fees and costs (other than those incurred and paid prior to Closing Date) from the sale and issuance of the Parent's capital stock, which equity issuance shall be on terms and conditions, and subject to documentation, reasonably satisfactory to Agent ("Additional Capital Raise"), on or before 31 March 2008 then the Agent shall issue the Borrower (with a copy to each Lender) with a written notice confirming that such equity issuance satisfies these requirements. Upon the issuance of such confirmation notice, the interest only period in clause 2.3(b)(i) shall be extended for an additional three (3) month period (to an aggregate interest only period of six (6) months) and making a corresponding adjustment to the amounts of principal and interest payable on the first day of each of the remaining months under clause 2.3(b)(ii) such that those amounts will thereafter be as set out in Part 2 of Schedule B.

Notwithstanding the foregoing, all unpaid principal and accrued interest with respect to a Term Loan is due and payable in full to Agent, for the ratable benefit of Lenders, on the earlier of (A) 1 January 2011 or (B) the date that the Term Loan otherwise becomes due and payable hereunder,

whether by acceleration of the Obligations (defined below) pursuant to Section 8.2 or otherwise (the earlier of (A) or (B), the “Applicable Term Loan Maturity Date”). Each Scheduled Payment, when paid, shall be applied first to the payment of accrued and unpaid interest on the Term Loan and then to unpaid principal balance of the Term Loan. Without limiting the foregoing, all Obligations shall be due and payable on the Applicable Term Loan Maturity Date. “Obligations” means the Term Loan and all other debt, monetary liabilities, obligations and liabilities of any kind whatsoever of Borrower or any other Loan Party to any one or more of the Agent, Security Trustee and any Lender (each a “Finance Party”) arising under or in connection with the Debt Documents irrespective of whether the debts, liabilities or obligations (i) are for principal, interest, fees, charges, taxes (other than any tax on the overall net income of a Finance Party or any Australian Interest Withholding Tax not exceeding 10%), damages (whether for breach of contract or tort or incurred on any other ground), losses, costs or expenses, prepayment of premiums, indemnities, reimbursements or other sums; (ii) accrue after the filing of any petition in bankruptcy or after the commencement of any insolvency, reorganization or similar proceedings, and whether or not allowed in such case or proceeding; (iii) are actual, prospective, contingent or otherwise; (iv) are now existing or arising in the future; (v) are at any time ascertained or unascertained; (vi) are owed or incurred by or on the account of any Loan Party alone, or severally or jointly with any other person; (vii) are owed to or incurred for the account of any Finance Party alone, or severally or jointly with any other person; (viii) are owed to any other person as agent (whether disclosed or not) for or on behalf of any Finance Party; (ix) are owed to or incurred for the account of any Finance Party directly or as a result of: (a) the assignment or novation of any Finance Party of any debt or liability of any Loan Party (whether by way of assignment transfer or otherwise); or (b) any other dealing with any such debt or liability; or (x) comprise any combination of the above.

(c) Interim Interest Payment. Borrower shall make an advance payment of interest on the Closing Date for the period from such date to and including 31 December 2007.

(d) No Reborrowing. Once the Term Loan is repaid or prepaid, it cannot be reborrowed.

(e) Payments. All payments (including prepayments) to be made by any Loan Party under any Debt Document shall be made in immediately available funds in U.S. dollars, without set off or counterclaim to the Collection Account (as defined below) before 11:00 a.m. New York time on the date when due. All payments received by Agent after 11:00 a.m. New York time on any Business Day or at any time on a day that is not a Business Day shall be deemed to be received on the next Business Day. Whenever any payment required under this Agreement would otherwise be due on a date that is not a Business Day, such payment shall instead be due on the next Business Day, and additional fees or interest, as the case may be, shall accrue and be payable for the period of such extension. The payment of any Scheduled Payment prior to its due date shall be deemed to have been received on such due date for the purposes of calculating interest on that amount hereunder. If requested by Agent, and agreed to by Borrower (such agreement not be unreasonably withheld), all regularly scheduled payments due to Agent and Lenders under Section 2.3(b) shall be effected by automatic debit of the appropriate funds from Borrower’s operating account specified on the EPS set up form, the form of which is attached hereto as Exhibit E (the “EPS Setup Form”). As used herein, the term “Collection Account” means the following account of Agent (or such other account as Agent shall identify to Borrower in writing):

Bank Name: Deutsche Bank
Bank Address: New York, NY

ABA Number: 021 001 033
Account Number: 50271079
Account Name: GECC HH Cash Flow Collections
Ref: Peplin / HFS2708

(f) Withholdings and Increased Costs. Except for Australian Interest Withholding Tax, all payments shall be made free and clear of any taxes, withholdings, duties, impositions or other charges (other than taxes on the overall net income of any Lender and comparable taxes), such that Agent and Lenders will receive the entire amount of any Obligations (as defined below), regardless of source of payment. If Agent or any Lender shall have determined that the introduction of or any change in, after the date hereof, any law, treaty, governmental (or quasi-governmental) rule, regulation, guideline or order reduces the rate of return on Agent or such Lender's capital as a consequence of its obligations hereunder or increases the cost to Agent or such Lender of agreeing to make or making, funding or maintaining any Term Loan, then Borrower shall from time to time upon demand by Agent or such Lender (with a copy of such demand to Agent) promptly pay to Agent for its own account or for the account of such Lender, as the case may be, additional amounts sufficient to compensate Agent or such Lender for such reduction or for such increased cost. A certificate as to the amount of such reduction or such increased cost submitted by Agent or such Lender (with a copy to Agent) to Borrower shall be conclusive and binding on Borrower, absent manifest error, provided that, neither Agent nor any Lender shall be entitled to payment of any amounts under this Section 2.3(f) unless it has delivered such certificate to Borrower within 180 days after the occurrence of the changes or events giving rise to the increased costs to, or reduction in the amounts received by, Agent or such Lender. This provision shall survive the termination of this Agreement. For purposes of this Agreement "Australian Interest Withholding Tax" means any Australian tax required (by any law existing at the date of this Agreement) to be withheld or deducted from any "interest" (as defined in Division 11A of Part III of the Income Tax Assessment Act 1936 (Cth)).

(g) Australian Interest Withholding Tax. If solely as a result of Australian Interest Withholding Tax Borrower is required to withhold or deduct an amount of any interest paid or to be paid under this clause 2.3 then, to the extent such amount does not exceed 10% of the interest payment, the Borrower may withhold or deduct such amount without the need to pay to the Agent for the account of the Lenders any additional amounts to compensate the Lenders for such reduction in the interest payment, PROVIDED that the Borrower (i) within the timeframes as required by applicable law pays the amount deducted or withheld to the Australian Government Agency responsible for administering Australian Interest Withholding Tax and (ii) provides to the Agent a payment receipt and other supporting evidence of that payment to the Australian Government Agency and, if the Agent requests, such other documentation that the Borrower has or may reasonably obtain to enable a Lender to claim any credit or relief to which it may be entitled in any jurisdiction with respect to such Australian Interest Withholding Tax.

(h) Loan Records. Each Lender shall maintain in accordance with its usual practice accounts evidencing the Obligations of Borrower to such Lender resulting from such Lender's Pro Rata Share of the Term Loan, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. Agent shall maintain in accordance with its usual practice a loan account on its books to record the Term Loan and any other extensions of credit made by Lenders hereunder, and all payments thereon made by Borrower. The entries made in the such accounts shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the Obligations recorded therein; provided, however, that no error in such account and no failure of any Lender or Agent to maintain any

such account shall affect the obligations of Borrower to repay the Obligations in accordance with their terms.

2.4. Prepayments. Borrower can voluntarily prepay, upon three (3) Business Days' prior written notice to Agent, the Term Loan in full, but not in part. Upon the date of (a) any voluntary prepayment of the Term Loan in accordance with the immediately preceding sentence or (b) any mandatory prepayment of a Term Loan required under this Agreement (whether by acceleration of the Obligations pursuant to Section 8.2 or otherwise), Borrower shall pay to Agent, for the ratable benefit of the Lenders, a sum equal to (i) all outstanding principal plus accrued interest with respect to the such Term Loan and (ii) the Final Payment Fee (as such term is defined in Section 2.7(b)).

2.5. Late Fees. If Agent does not receive any Scheduled Payment or other payment under any Debt Document from any Loan Party within 3 days after its due date, then, at Agent's election, such Loan Party agrees to pay to Agent for the ratable benefit of all Lenders, a late fee equal to (a) 5% of the amount of such unpaid payment or (b) such lesser amount that, if paid, would not cause the interest and fees paid by such Loan Party under this Agreement to exceed the Maximum Lawful Rate (as defined below) (the "Late Fee").

2.6. Default Rate. All Term Loans and other Obligations shall bear interest, at the option of Agent or upon the request of the Requisite Lenders (as defined below), from and after the occurrence and during the continuation of an Event of Default (as defined below), at a rate equal to the lesser of (a) 5% per annum above the rate of interest applicable to such Obligations as set forth in Section 2.3(a) immediately prior to the occurrence of the Event of Default and (b) the Maximum Lawful Rate (the "Default Rate"). The application of the Default Rate shall not be interpreted or deemed to extend any cure period or waive any Default (as defined below) or Event of Default or otherwise limit the Agent's or any Lender's right or remedies hereunder. All interest payable at the Default Rate shall be payable on demand. "Default" means an Event of Default or any event, condition or circumstance which would become an Event of Default on the giving of notice (whether or not notice is actually given), the expiry of time, the satisfaction or non-satisfaction of any condition, or any combination of the aforementioned.

2.7. Lender Fees.

(a) Upfront Payment. Prior to the advance of the Term Loan, in consideration for Lenders' agreement to underwrite the transaction contemplated by this Agreement, Borrower has paid to Agent, for the ratable benefit of Lenders, and Agent hereby acknowledges receipt of, a payment in the amount of \$75,000 (the "Upfront Payment"). The Upfront Payment shall be applied as follows: (a) a portion of the Upfront Payment in an amount equal to \$37,500 has been fully earned by Lenders, in accordance with their Pro Rata Shares as a non-refundable underwriting fee, and (b) the balance of the Upfront Payment in an amount equal to \$37,500 shall be applied as follows: (1) to the initial interest payments (including interim interest) due pursuant to Section 2.3(b)(i) or Section 2.3(c) in the order of maturity until paid in full and (2) the remainder, if any, to the initial Scheduled Payment(s) due pursuant to Section 2.3(b)(ii) in the order of maturity.

(b) Final Payment Fee. Upon the repayment in full of all outstanding principal amounts of the Term Loan (whether voluntarily, scheduled or mandatory or otherwise), Borrower shall pay to Agent, for the ratable accounts of Lenders, a fee equal to 4.0% of the original principal amount of the Term Loan as funded on the Closing Date, or, if an Additional Capital Raise is completed on or before 31 March 2008, 3.0% of the original principal amount of the Term Loan as funded on the Closing Date.

2.8. Maximum Lawful Rate. Anything herein, any Note or any other Debt Document (as defined below) to the contrary notwithstanding, the obligations of Loan Parties hereunder and thereunder shall be subject to the limitation that payments of interest shall not be required, for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by Agent and Lenders would be contrary to the provisions of any law applicable to Agent and Lenders limiting the highest rate of interest which may be lawfully contracted for, charged or received by Agent and Lenders, and in such event Loan Parties shall pay Agent and Lenders interest at the highest rate permitted by applicable law ("Maximum Lawful Rate"); provided, however, that if at any time thereafter the rate of interest payable hereunder or thereunder is less than the Maximum Lawful Rate, Loan Parties shall continue to pay interest hereunder at the Maximum Lawful Rate until such time as the total interest received by Agent and Lenders is equal to the total interest that would have been received had the interest payable hereunder been (but for the operation of this paragraph) the interest rate payable since the making of the Initial Term Loan as otherwise provided in this Agreement, any Note or any other Debt Document.

2.9 Authorization and Issuance of the Warrants. Parent has duly authorized the issuance to Lenders (or their designees) of equity warrants over unissued shares of common stock in the Parent substantially in the form of the warrant attached hereto as Schedule E (collectively, the "Warrants") evidencing Lenders' (or their respective designees) right to have issued by the Parent and acquire their respective Pro Rata Share of up to 58,987 shares of common stock of the Parent at an exercise price of USD\$15.26 per share. The exercise period shall expire five (5) years from the date such Warrant is issued.

3. [INTENTIONALLY OMITTED]

4. CONDITIONS OF CREDIT EXTENSION

4.1. Conditions Precedent to Closing Date. No Lender shall be obligated to make the Term Loan, or to take, fulfill, or perform any other action hereunder, until the following have been delivered to the Agent (the date on which the Lenders make the Term Loan after all such conditions shall have been satisfied in a manner satisfactory to Agent or waived in accordance with this Agreement, the "Closing Date"):

In addition to the remedies provided in Section 8.2 above, each Loan Party hereby grants to Security Trustee, Agent (on behalf of itself and Lenders) and any transferee of Collateral, for purposes of exercising its remedies as provided herein, upon the occurrence and continuation of any Event of Default an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to any Loan Party) to use, license or sublicense any Intellectual Property now owned or hereafter acquired by such Loan Party, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof.

8.4. Application of Proceeds. Proceeds from any Transfer of the Collateral or the Intellectual Property (other than Permitted Dispositions) and all payments made to or proceeds of Collateral received by Security Trustee during the continuance of an Event of Default shall be applied as follows: (a) first, to pay all fees, costs, indemnities, reimbursements and expenses then due to Security Trustee under the Debt Documents in its capacity as Security Trustee under the Debt Documents, (b) second, to pay all fees, costs, indemnities, reimbursements and expenses then due to Lenders under the Debt Documents in accordance with their respective Pro Rata Shares, until paid in full, (c) third, to pay all interest on the Term Loan then due to Lenders in accordance with their respective Pro Rata Shares, until paid in full (other than interest accrued after the commencement of any proceeding referred to in Section 8.1(g) if a claim for such interest is not allowable in such proceeding), (d) fourth, to pay all principal on the Term Loan then due to Lenders in accordance with their respective Pro Rata Shares, until paid in full (e) fifth, to pay all other Obligations then due to Lenders in accordance with their respective Pro Rata Shares, until paid in full (including, without limitation, all interest accrued after the commencement of any proceeding referred to in Section 8.1(g) whether or not a claim for such interest is allowable in such proceeding), and (f) sixth, to Borrower or as otherwise required by law. Borrower shall remain fully liable for any deficiency.

9. THE AGENT.

9.1. Appointment of Agent.

(a) Each Lender hereby appoints GECC (together with any successor Agent pursuant to Section 9.9) as Agent under the Debt Documents and authorizes the Agent to (a) execute and deliver the Debt Documents and accept delivery thereof on its behalf from Loan Parties, (b) take such action on its behalf and to exercise all rights, powers and remedies and perform the duties as are expressly delegated to the Agent under such Debt Documents and (c) exercise such powers as are reasonably incidental thereto. The provisions of this Article 9 are solely for the benefit of Finance Parties and none of Loan Parties nor any other person shall have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties under this Agreement and the other Debt Documents, Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation toward or relationship of agency or trust with or for any Loan Party or any other person. Agent shall have no duties or responsibilities except for those expressly set forth in this Agreement and the other Debt Documents. The duties of Agent shall be mechanical and administrative in nature and Agent shall not have, or be deemed to have, by reason of this Agreement, any other Debt Document or

otherwise a fiduciary or trustee relationship in respect of any Lender. Except as expressly set forth in this Agreement and the other Debt Documents, Agent shall not have any duty to disclose, and shall not be liable for failure to disclose, any information relating to Borrower or any other Loan Party that is communicated to or obtained by GECC or any of its affiliates in any capacity.

(b) Without limiting the generality of clause (a) above, Agent (through either itself or the Security Trustee) shall have the sole right and authority (to the exclusion of the Lenders), and is hereby authorized, to (i) act as the disbursing and collecting agent for the Lenders with respect to all payments and collections arising in connection with the Debt Documents (including in any other bankruptcy, insolvency or similar proceeding), and each person making any payment in connection with any Debt Document to any Lender is hereby authorized to make such payment to Agent, (ii) file and prove claims and file other documents necessary or desirable to allow the claims of Agent and Lenders with respect to any Obligation in any proceeding described in any bankruptcy, insolvency or similar proceeding (but not to vote, consent or otherwise act on behalf of such Lender), (iii) act as collateral agent for Agent and each Lender for purposes of the perfection of all liens created by the Debt Documents and all other purposes stated therein, (iv) manage, supervise and otherwise deal with the Collateral, (v) take such other action as is necessary or desirable to maintain the perfection and priority of the liens created or purported to be created by the Debt Documents, (vi) except as may be otherwise specified in any Debt Document, exercise all remedies given to Agent and the other Lenders with respect to the Collateral, whether under the Debt Documents, applicable law or otherwise and (vii) execute any amendment, consent or waiver under the Debt Documents on behalf of any Lender that has consented in writing to such amendment, consent or waiver; provided, however, that Agent hereby appoints, authorizes and directs each Lender to act as collateral sub-agent for Agent and the Lenders for purposes of the perfection of all liens with respect to the Collateral, including any deposit account maintained by a Loan Party with, and cash and cash equivalents held by, such Lender, and may further authorize and direct the Lenders to take further actions as collateral sub-agents for purposes of enforcing such liens or otherwise to transfer the Collateral subject thereto to Agent, and each Lender hereby agrees to take such further actions to the extent, and only to the extent, so authorized and directed. Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Debt Document by or through any trustee, co-agent, employee, attorney-in-fact and any other person (including any Lender). Any such person shall benefit from this Article 9 to the extent provided by Agent.

(c) If Agent shall request instructions from Requisite Lenders or all affected Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Debt Document, then Agent shall be entitled to refrain from such act or taking such action unless and until Agent shall have received instructions from Requisite Lenders or all affected Lenders, as the case may be, and Agent shall not incur liability to any person by reason of so refraining. Agent shall be fully justified in failing or refusing to take any action hereunder or under any other Debt Document (a) if such action would, in the opinion of Agent, be contrary to law or any Debt Document, (b) if such action would, in the opinion of Agent, expose Agent to any potential liability under any law, statute or regulation or (c) if Agent shall not first be indemnified to its satisfaction against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Without limiting the foregoing, no Lender shall have any right of action whatsoever against Agent as a result of Agent acting or refraining from acting hereunder or under any other Debt Document in accordance with the instructions of Requisite Lenders or all affected Lenders, as applicable.

9.2. Agent's Reliance, Etc. Neither Agent nor any of its affiliates nor any of their respective directors, officers, agents, employees or representatives shall be liable for any action taken or omitted to be taken by it or them hereunder or under any other Debt Documents, or in connection herewith or therewith, except for damages caused by its or their own gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Without limiting the generality of the foregoing, Agent: (a) may treat the payee of any Note as the holder thereof until such Note has been assigned in accordance with Section 11.1; (b) may consult with legal counsel, independent public accountants and other experts, whether or not selected by it, and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts; (c) shall not be responsible or otherwise incur liability for any action or omission taken in reliance upon the instructions of the Requisite Lenders, (d) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations made in or in connection with this Agreement or the other Debt Documents; (e) shall not have any duty to inspect the Collateral (including the books and records) or to ascertain or to inquire as to the performance or observance of any provision of any Debt Document, whether any condition set forth in any Debt Document is satisfied or waived, as to the financial condition of any Loan Party or as to the existence or continuation or possible occurrence or continuation of any Default or Event of Default and shall not be deemed to have notice or knowledge of such occurrence or continuation unless it has received a notice from Borrower or any Lender describing such Default or Event of Default clearly labeled "notice of default"; (f) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, effectiveness, genuineness, sufficiency or value of, or the attachment, perfection or priority of any lien created or purported to be created under or in connection with, any Debt Document or any other instrument or document furnished pursuant hereto or thereto; and (g) shall incur no liability under or in respect of this Agreement or the other Debt Documents by acting upon any notice, consent, certificate or other instrument or writing (which may be by telecopy, telegram, cable or telex) believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties.

9.3. GECC and Affiliates. GECC shall have the same rights and powers under this Agreement and the other Debt Documents as any other Lender and may exercise the same as though it were not Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include GECC in its individual capacity. GECC and its affiliates may lend money to, invest in, and generally engage in any kind of business with, Borrower, any other Loan Parties, any of their Affiliates and any person who may do business with or own securities of Borrower, any other Loan Party or any such Affiliate, all as if GECC were not Agent and without any duty to account therefor to Lenders. GECC and its affiliates may accept fees and other consideration from Borrower or other Loan Party for services in connection with this Agreement or otherwise without having to account for the same to Lenders. Each Lender acknowledges the potential conflict of interest between GECC as a Lender holding disproportionate interests in the Term Loans and GECC as Agent, and expressly consents to, and waives, any claim based upon, such conflict of interest.

9.4. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon Agent or any other Lender and based on the financial statements referred to in Section 6.3 and such other documents and information as it has deemed appropriate, made its own credit and financial analysis of each Loan Party and its own decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement. Each Lender acknowledges the potential conflict of interest of each other Lender as a result of Lenders holding disproportionate interests in the Term Loans, and expressly consents to, and waives, any claim based upon, such conflict of interest.

9.5. Indemnification. Lenders shall and do hereby indemnify Agent (to the extent not reimbursed by Loan Parties and without limiting the obligations of Loan Parties hereunder), ratably according to their respective Pro Rata Shares from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against Agent in any way relating to or arising out of this Agreement or any other Debt Document or any action taken or omitted to be taken by Agent in connection therewith; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from Agent's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Without limiting the foregoing, each Lender agrees to reimburse Agent promptly upon demand for its Pro Rata Share of any out-of-pocket expenses (including reasonable counsel fees) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement and each other Debt Document, to the extent that Agent is not reimbursed for such expenses by Loan Parties. The provisions of this Section 9.5 shall survive the termination of this Agreement.

9.6. Successor Agent. Agent may resign at any time by giving not less than 30 days' prior written notice thereof to Lenders and Borrower. Upon any such resignation, the Requisite Lenders shall have the right to appoint a successor Agent (in consultation with Borrower). If no successor Agent shall have been so appointed by the Requisite Lenders and shall have accepted such appointment within 30 days after the resigning Agent's giving notice of resignation, then the resigning Agent may, on behalf of Lenders, appoint a successor Agent, which shall be a Lender, if a Lender is willing to accept such appointment, or otherwise shall be a commercial bank or financial institution or a subsidiary of a commercial bank or financial institution if such commercial bank or financial institution is organized under the laws of the United States of America or of any State thereof and has a combined capital and surplus of at least \$300,000,000. If no successor Agent has been appointed pursuant to the foregoing, within 30 days after the date such notice of resignation was given by the resigning Agent, such resignation shall become effective and the Requisite Lenders shall thereafter perform all the duties of Agent hereunder until such time, if any, as the Requisite Lenders appoint a successor Agent as provided above. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the resigning Agent. Upon the earlier of the acceptance of any appointment as Agent hereunder by a successor Agent or the effective date of the resigning Agent's resignation, the resigning Agent shall be discharged from its duties and obligations under this Agreement and the other Debt Documents, except that any indemnity rights or other rights in favor of such resigning Agent shall continue. After any resigning Agent's resignation hereunder, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was acting as Agent under this Agreement and the other Debt Documents.

9.7. Setoff and Sharing of Payments. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of any Event of Default and subject to Section 9.8(e), each Lender is hereby authorized at any time or from time to time upon the direction of Agent, without notice to Borrower or any other person, any such notice being hereby expressly waived, to offset and to appropriate and to apply any and all balances held by it at any of its offices for the account of Borrower (regardless of whether such balances are then due to Borrower) and any other properties or assets at any time held or owing by that Lender or that holder to or for the credit or for the account of Borrower against and on account of any of the Obligations that are not paid when due. Any Lender exercising a right of setoff or otherwise receiving any payment on account of the Obligations in excess of its Pro Rata Share thereof shall purchase for cash (and the other Lenders or holders shall sell) such participations in each such other Lender's or holder's

Pro Rata Share of the Obligations as would be necessary to cause such Lender to share the amount so offset or otherwise received with each other Lender or holder in accordance with their respective Pro Rata Shares of the Obligations. Borrower agrees, to the fullest extent permitted by law, that (a) any Lender may exercise its right to offset with respect to amounts in excess of its Pro Rata Share of the Obligations and may sell participations in such amounts so offset to other Lenders and holders and (b) any Lender so purchasing a participation in the Term Loans made or other Obligations held by other Lenders or holders may exercise all rights of offset, bankers' lien, counterclaim or similar rights with respect to such participation as fully as if such Lender or holder were a direct holder of the Term Loans and the other Obligations in the amount of such participation. Notwithstanding the foregoing, if all or any portion of the offset amount or payment otherwise received is thereafter recovered from the Lender that has exercised the right of offset, the purchase of participations by that Lender shall be rescinded and the purchase price restored without interest. The term "Pro Rata Share" means, with respect to any Lender at any time, the percentage obtained by dividing (x) the Commitment of such Lender then in effect (or, if such Commitment is terminated, the aggregate outstanding principal amount of the Term Loans owing to such Lender) by (y) the Total Commitment then in effect (or, if the Total Commitment is terminated, the outstanding principal amount of the Term Loans owing to all Lenders).

Any Lender exercising the foregoing right of set off will give notice of same promptly after such exercise; provided that its failure to do so shall not give rise to any liability or damages, nor affect in any way the rights and obligations of the parties to, and validity or enforceability of the Debt Documents.

9.8. Advances; Payments; Non-Funding Lenders; Information; Actions in Concert.

(a) Advances; Payments. If Agent receives any payment for the account of Lenders on or prior to 11:00 a.m. (New York time) on any Business Day, Agent shall pay to each applicable Lender such Lender's Pro Rata Share of such payment on such Business Day. If Agent receives any payment for the account of Lenders after 11:00 a.m. (New York time) on any Business Day, Agent shall pay to each applicable Lender such Lender's Pro Rata Share of such payment on the next Business Day. To the extent that any Lender has failed to fund any such payments and Term Loans (a "Non-Funding Lender"), Agent shall be entitled to set off the funding short-fall against that Non-Funding Lender's Pro Rata Share of all payments received from Borrower.

(b) Return of Payments.

(i) If Agent pays an amount to a Lender under this Agreement in the belief or expectation that a related payment has been or will be received by Agent from a Loan Party and such related payment is not received by Agent, then Agent will be entitled to recover such amount (including interest accruing on such amount at the Federal Funds Rate for the first Business Day and thereafter, at the rate otherwise applicable to such Obligation) from such Lender on demand without setoff, counterclaim or deduction of any kind.

(ii) If Agent determines at any time that any amount received by Agent under this Agreement must be returned to a Loan Party or paid to any other person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Debt Document, Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender will repay to Agent on demand any portion of such amount that Agent has distributed to such Lender, together with interest at such rate, if any, as Agent is required to pay to a Loan Party or such other person, without setoff, counterclaim or deduction of any kind.

(c) Non-Funding Lenders. The failure of any Non-Funding Lender to make any Term Loan or any payment required by it hereunder shall not relieve any other Lender (each such other Lender, an “Other Lender”) of its obligations to make such Term Loan, but neither any Other Lender nor Agent shall be responsible for the failure of any Non-Funding Lender to make a Term Loan or make any other payment required hereunder. Notwithstanding anything set forth herein to the contrary, a Non-Funding Lender shall not have any voting or consent rights under or with respect to any Debt Document or constitute a “Lender” (or be included in the calculation of “Requisite Lender” hereunder) for any voting or consent rights under or with respect to any Debt Document. At Borrower’s request, Agent or a person reasonably acceptable to Agent shall have the right with Agent’s consent and in Agent’s sole discretion (but shall have no obligation) to purchase from any Non-Funding Lender, and each Non-Funding Lender agrees that it shall, at Agent’s request, sell and assign to Agent or such person, all of the Commitments and all of the outstanding Term Loans of that Non-Funding Lender for an amount equal to the principal balance of all Term Loans held by such Non-Funding Lender and all accrued interest and fees with respect thereto through the date of sale, such purchase and sale to be consummated pursuant to an executed Substitution Certificate (as defined below).

(d) Dissemination of Information. Agent shall use reasonable efforts to provide Lenders with any notice of Default or Event of Default received by Agent from, or delivered by Agent to Borrower, with notice of any Event of Default of which Agent has actually become aware and with notice of any action taken by Agent following any Event of Default; provided that Agent shall not be liable to any Lender for any failure to do so, except to the extent that such failure is attributable to Agent’s gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. Lenders acknowledge that Borrower is required to provide financial statements to Lenders in accordance with Section 6.3 hereto and agree that Agent shall have no duty to provide the same to Lenders.

(e) Actions in Concert. Anything in this Agreement to the contrary notwithstanding, each Lender hereby agrees with each other Lender that no Lender shall take any action to protect or enforce its rights arising out of this Agreement, the Notes or any other Debt Documents (including exercising any rights of setoff) without first obtaining the prior written consent of Agent and Requisite Lenders, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Notes shall be taken in concert and at the direction or with the consent of Agent and Requisite Lenders.

10 INDEMNITIES AND BREAK COSTS

10.1 General Indemnity

(i) Each Loan Party, jointly and severally, indemnifies each Finance Party against any Loss (as defined below) which that Finance Party, a Receiver (as defined below) (whether acting as agent of a Loan Party or of a Finance Party) or an attorney pays, suffers, incurs or is liable for, in respect of any of the following: (a) the Term Loan not being made for any reason including any failure by a Loan Party to fulfill any condition precedent contained in Section 4, but excluding any default by that Finance Party; (b) the occurrence of any Default or Event of Default; (c) a Finance Party exercising its Powers (as defined below) consequent upon or arising out of the occurrence of any Default or Event of Default; (d) the non-exercise, attempted exercise, exercise or delay in the exercise of any Power; (e) any act or omission of a Loan Party or any of its employees or agents; (f) the occupation, use or ownership of any Collateral by a Security Provider (defined below) or any of its employees or agents; (g) any workers’ compensation claim by any employee of a Security Provider; (h) any insurance policy in respect of any Collateral; (i) any compulsory acquisition or statutory or judicial divestiture of any Collateral; (j) any other thing in

respect of a Security or any Collateral; and (k) any payment made by a Loan Party to a Finance Party under Section 11.7. “Loss” means any claim, action, damage, loss, liability, cost, charge, expense, outgoing or payment. “Receiver” means receiver or receiver and manager. “Power” means any right, power, authority, discretion or remedy conferred on a Finance Party, a Receiver or an attorney by this Agreement or any other Debt Document or any applicable law. “Security Provider” means a person who has granted a Security. “Security” means each of the Australian Group Charge, Australian Featherweight Charge, Group Guaranty, US Guaranty, Pledge and Security Agreement, Irish Debenture.

(ii) The indemnity in Section 10.1(i), includes: (a) the amount determined by a Finance Party as being incurred by reason of the liquidation or re-employment of deposits or other funds acquired or contracted for by the Finance Party to fund or maintain its Commitment; and (b) loss of margin.

10.2 Foreign Currency Indemnity.

If, at any time (i) a Finance Party, Receiver, or an attorney receives or recovers any amount payable by a Loan Party including: (a) under any judgment or order of any Government Agency, (b) for any breach of this Agreement or any other Debt Document, (c) on the liquidation or bankruptcy of any Loan Party or any proof or claim in that liquidation or bankruptcy, or (d) any other thing into which the obligations of any Loan Party may have become merged; and (ii) the currency in which the payment is made is not in US Dollars; each Loan Party, jointly and severally, indemnifies each Finance Party, Receiver, or attorney against any shortfall between the amount payable in US Dollars and the amount actually or notionally received or recovered by each Finance Party, Receiver, or attorney after the currency in which the payment is made is converted or translated into US Dollars under Section 10.3.

10.3 Conversion of Currencies

In making any currency conversion under Section 10.2, a Finance Party, Receiver, or attorney may itself or through its bankers (in a manner consistent with their usual practices) purchase one currency with another, whether or not through an intermediate currency, whether spot or forward, in the manner and amounts and at the time it thinks fit.

10.4 Continuing indemnities and evidence of loss

(i) Each indemnity of a Loan Party in this Loan Agreement or any other Debt Document is a continuing obligation of the Loan Party, despite any settlement of account or the occurrence of any other thing, and remains in full force and effect until: (a) the Obligations are fully and finally repaid; and (b) each Security has been finally discharged. (ii) Each indemnity of a Loan Party in this Loan Agreement or any other Debt Document is an additional, separate and independent obligation of a Loan Party and no one indemnity limits the general nature of any other indemnity. (iii) Each indemnity of a Loan Party in this Agreement or any other Debt Document survives the termination of this Agreement or any other Debt Document. (iv) A certificate given by an officer of a Finance Party detailing the amount of any Loss covered by any indemnity in this Agreement or any other Debt Document is sufficient evidence unless the contrary is proved.

11 MISCELLANEOUS.

11.1 Assignment. Subject to the terms of this Section 11.1, any Lender may make an assignment to a Qualified Assignee (as defined below) of, or sell participations in, at any time or times, the Debt Documents, its Commitment, Term Loans or any portion thereof or interest therein (but in the case of the Warrants, subject to the terms thereof), including any Lender’s rights, title, interests, remedies, powers or duties thereunder. Any assignment by a Lender shall:

(i) except in the case of an assignment to a Qualified Assignee, require the consent of each Lender (which consent shall not be unreasonably withheld, conditioned or delayed), (ii) require the execution of the substitution certificate, in or substantially in the form attached as Schedule D (a “Substitution Certificate”) by the assigning Lender and the assignee Lender, and delivery of the executed Substitution Certificate to the Agent at least 2 Business Days before the substitution (or such shorter period as the Agent approves); (iii) be conditioned on such assignee Lender representing to the assigning Lender and Agent that it is purchasing the applicable Commitment and/or Term Loans to be assigned to it for its own account, for investment purposes and not with a view to the distribution thereof; (iv) be in an aggregate amount of not less than \$1,000,000, unless such assignment is made to an existing Lender or an affiliate of an existing Lender or is of the assignor’s (together with its affiliates’) entire interest of the Term Loan or is made with the prior written consent of Agent; and (v) include a payment to Agent of an assignment fee of \$3,500. In the case of an assignment by a Lender under this Section 11.1, the assignee shall have, to the extent of such assignment, the same rights, benefits and obligations as all other Lenders hereunder. The assigning Lender shall be relieved of its obligations hereunder with respect to its Commitment and Term Loans, as applicable, or assigned portion thereof from and after the date of such assignment. Borrower hereby acknowledges and agrees that any assignment shall give rise to a direct obligation of Borrower to the assignee and that the assignee shall be considered to be a “Lender”. In the event any Lender assigns or otherwise transfers all or any part of the Commitments and Obligations, Agent shall so notify Borrower and Borrower shall, upon the request of Agent, execute new Notes in exchange for the Notes, if any, being assigned. Agent may amend Schedule A to this Agreement to reflect assignments made in accordance with this Section. When Agent receives a Substitution Certificate under this Section 11.1 it is authorized to, and must execute it on behalf of all the parties to this agreement other than the assigning Lender and the assignee Lender, notify each of the parties to this agreement of the substitution; and deliver copies of it to the Borrower, the assigning Lender and the assignee Lender.

As used herein, “Qualified Assignee” means (a) any Lender and any affiliate of any Lender and (b) any commercial bank, savings and loan association or savings bank or any other entity which is an “accredited investor” (as defined in Regulation D under the Securities Act) which extends credit or buys loans as one of its businesses, including insurance companies, mutual funds, lease financing companies and commercial finance companies, in each case, which has a rating of BBB or higher from S&P and a rating of Baa2 or higher from Moody’s at the date that it becomes a Lender and in each case of clauses (a) and (b), which, through its applicable lending office, is capable of lending to Borrower without the imposition of any withholding (other than Australian Interest Withholding Tax) or similar taxes; provided that no person proposed to become a Lender after the Closing Date and determined by Agent to be acting in the capacity of a vulture fund or distressed debt purchaser shall be a Qualified Assignee, and no person or Affiliate of such person proposed to become a Lender after the Closing Date and that holds any subordinated debt or stock issued by Borrower shall be a Qualified Assignee.

11.2 Notices. All notices, requests or other communications given in connection with this Agreement shall be in writing, shall be addressed to the parties at their respective addresses set forth on the signature pages hereto below such parties’ name or in the most recent Substitution Certificate executed by any Lender, or in the case of any Loan Party to the address of the Parent (or, solely in the case of service of process or other documents in accordance with Section 11.3 below, the address of the Borrower), unless and until a different address may be specified in a written notice to the other party delivered in accordance with this Section, and shall be deemed given: (a) on the date of receipt if delivered by hand, (b) on the date of sender’s receipt of confirmation of proper transmission if sent by facsimile transmission, and (c) if to be sent from and received at addresses within the same continent, on the next day on which banks are generally open for business in that continent after being sent by a nationally-recognized overnight courier servicing that continent.

As used in this Agreement, the term “Business Day” shall mean and include any day other than Saturdays, Sundays, or other days on which commercial banks in New York, New York are required or authorized to be closed.

11.3 Process Agent. (i) Each Loan Party irrevocably, (a) nominates as its agent, to receive service of process or other documents, the Borrower; and (b) agrees that service of process or documents on that agent or any other person appointed under clause (a) will be sufficient service on it. The process agent named above irrevocably and unconditionally accepts that appointment. Each Loan Party will ensure that the process agent remains authorized to accept service on its behalf. If the process agent ceases to have an office in the place specified, each Loan Party will ensure that at all times there is another person in that place acceptable to the Agent to receive process on its behalf. It must promptly notify the Agent in writing of the appointment of that other person.

11.4 Correction of Debt Documents. Without the prior consent of the Borrower but after telephonic consultation with the Borrower, Agent may correct patent errors and fill in all blanks in this Agreement or the Debt Documents consistent with the agreement of the parties.

11.5 Performance. Time is of the essence of this Agreement. This Agreement shall be binding, upon the parties hereto and their respective successors and assigns, and shall inure to the benefit of their respective successors and assigns; provided that the Loan Parties may not assign or transfer their rights or obligations hereunder without the consent of all Lenders.

11.6 Payment of Fees and Expenses. Loan Parties agree, jointly and severally, to pay or reimburse upon demand for all documented and reasonable fees, costs and expenses incurred by the Finance Parties in connection with (a) the investigation, preparation, negotiation, execution, administration of, or any amendment, modification, waiver or termination of, this Agreement or any other Debt Document, (b) the administration of any transaction contemplated hereby or thereby and (c) the enforcement, assertion, defense or preservation of any Finance Party’s rights and remedies under this Agreement or any other Debt Document, in each case of clauses (a) through (c), including, without limitation, reasonable attorney’s fees and expenses, the allocated cost of in-house legal counsel, reasonable fees and expenses of consultants, auditors and appraisers and UCC and other corporate search and filing fees and wire transfer fees. Borrower further agrees that such fees, costs and expenses shall constitute Obligations. This provision shall survive the termination of this Agreement. The parties acknowledge and agree that as and from the Closing Date until the occurrence of a Default that the Lenders entitlement to be reimbursed for legal costs under this Section 11.6 shall only apply to external counsel engaged on their behalf by Agent.

11.7 Indemnity. Each Loan Party shall and does hereby jointly and severally indemnify and defend all Finance Parties, and their respective successors and assigns, and their respective directors, officers, employees, consultants, attorneys, agents and affiliates (each an “Indemnitee”) from and against all liabilities, losses, damages, expenses, penalties, claims, actions and suits (including, without limitation, related reasonable attorneys’ fees and the allocated costs of in-house legal counsel) of any kind whatsoever arising, directly or indirectly, which may be imposed on, incurred by or asserted against such Indemnitee as a result of or in connection with this Agreement, the other Debt Documents or any of the transactions contemplated hereby or thereby (the “Indemnified Liabilities”); provided that, no Loan Party shall have any obligation to any Indemnitee with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from the gross negligence or willful misconduct of such Indemnitee as determined by a final non-appealable judgment of a court of competent jurisdiction. This provision shall survive the termination of this Agreement.

11.8 Rights Cumulative. Finance Party’s rights and remedies under this Agreement or otherwise arising are cumulative and may be exercised singularly or concurrently. Neither the failure nor any delay

on the part of any Finance Party to exercise any right, power or privilege under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise of that or any other right, power or privilege. NONE OF ANY FINANCE PARTY SHALL BE DEEMED TO HAVE WAIVED ANY OF ITS RESPECTIVE RIGHTS UNDER THIS AGREEMENT OR UNDER ANY OTHER AGREEMENT, INSTRUMENT OR PAPER SIGNED BY BORROWER UNLESS SUCH WAIVER IS EXPRESSED IN WRITING AND SIGNED BY SECURITY TRUSTEE, AGENT, REQUISITE LENDERS OR ALL LENDERS, AS APPLICABLE. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion.

11.9 Entire Agreement; Amendments, Waivers.

EXHIBIT C-1**PART 1****FORM OF US LANDLORD CONSENT****LANDLORD'S WAIVER AND AGREEMENT**

WHEREAS, _____ (hereinafter "Landlord") is the landlord and _____ (hereinafter "Tenant") is the tenant in a lease dated _____ (hereinafter "Lease") covering a portion or all of the real property located at _____ as more particularly described in Exhibit A hereto (hereinafter "Property"); and

WHEREAS, General Electric Capital Corporation for itself and in its capacity as agent for the lenders (collectively hereinafter "Lender") has made or will make a certain loan or will sell subject to and be secured by a security interest in the personal property or equipment described in Exhibit B hereto (hereinafter "Personal Property") which is now or about to be located on the Property.

NOW, THEREFORE, so long as the aforementioned Lease exists on the Property and the loan secured by Lender's security interest in the Personal Property remain outstanding and in consideration of the mutual covenants and agreements herein contained, Landlord, Tenant, and Lender hereby covenant and agree as follows:

1. Landlord agrees (and Lender shall rely on Landlord's agreement) that: (i) on the date hereof, the Lease is in full force and effect and Landlord is not aware of any existing defaults thereunder, and (ii) Landlord shall use its best efforts to provide Lender with written notice of any default by Tenant under the Lease resulting in a termination of the Lease ("Default Notice") and Lender shall have the right, but not the obligation to cure such default within 15 days following Lender's receipt of such Default Notice.

2. Except as limited in this waiver and agreement, Landlord waives its interest in the Personal Property and agrees that the Personal Property shall not become part of the Property regardless of the manner in which the Personal Property may be attached or affixed to the Property. This waiver and agreement shall be effective only to the extent of the indebtedness owed to the Lender. Indefeasible payment in full of the indebtedness to the Lender shall render this waiver and agreement void and ineffective and not subject to renewal without a written agreement of the parties hereto.

3. Landlord agrees it will not prevent Lender or its designee from entering upon the Property at all reasonable times to inspect or remove the Personal Property or otherwise deal with the Personal Property, including, without limitation, by way of public auction or private sale (provided that, if Lender conducts a public auction or private sale of the Personal Property at the Property, Lender shall use reasonable efforts to notify Landlord first and to hold such auction or sale in a manner that would not unduly disrupt Landlord's or any other tenant's use of the Property). Landlord shall provide Lender notification immediately upon termination of the Lease or upon the exercise of its rights to possession of the Property by virtue thereof. Upon such notification, Lender, at its option, may cause the Personal Property to be removed from the Property and agrees that any physical damage to the Property actually caused by Lender, its agents, employees or invitees, during any such removal or inspection (other than ordinary wear and tear) shall be promptly repaired by Lender. Lender shall indemnify and defend

Landlord and hold Landlord harmless from any and all physical damage in, or about the Property that were caused by the negligence or willful misconduct of Lender, its agents, employees or invitees. Notwithstanding anything to the contrary in this agreement, it is understood by the parties hereto that Lender shall not be liable for any diminution in the value of the Property caused by the removal or absence of the Personal Property therefrom. Lender further agrees to pay Landlord a per diem fee based upon the average monthly rental provided for in the Lease for each day that Lender is in possession of the Property after termination of the Lease for purposes of removing the Personal Property; provided, however, Lender shall have no obligation to remove or dispose of the Personal Property from the Property. No action by Lender pursuant to this agreement shall be deemed to be an assumption by Lender of any obligation under the Lease and, except as provided in this Section 3 and Lender shall not have any obligation to Landlord. Within sixty (60) days after written request and notice to Lender by Landlord, if the Personal Property has not been removed and Lender has not been prohibited from removing it because of bankruptcy or other legal proceedings, Landlord may remove the Personal Property.

4. Landlord agrees that Tenant's granting of a security interest in the Personal Property in favor of Lender shall not constitute a default under the Lease nor permit Landlord to terminate the Lease or re-enter or repossess the Property or otherwise be the basis for the exercise of any remedy available to Landlord.

5. In no event shall Lender cause to be recorded any financing statements, Uniform Commercial Code filings or their equivalents in connection with this Agreement that will adversely affect or otherwise impair title to fixtures and other real or personal property owned by Landlord located on the Property.

6. All requests, notices or service provided for or permitted to be given or made pursuant to this waiver and agreement shall be deemed to have been properly given or made by depositing the same in the United States Mail, postage prepaid and registered or certified return receipt requested and addressed to the addresses set forth below, or to such other addresses as may from time to time be specified in writing by either party to the other:

You hereby consent to the creation of the security interest in favour of the Security Trustee and acknowledge and agree that [Borrower's] [Company's] granting of a security interest in the Collateral in favor of Security Trustee, on behalf of itself and the Lenders, shall not constitute a default under the Lease nor permit you to terminate the Lease or re-enter or repossess the Premises or otherwise be the basis for the exercise of any remedy available to you.

This Consent and the agreements contained herein shall be binding upon, and shall inure to the benefit of, any successors and assigns of the parties hereto (including any transferees of the Premises). This Consent shall terminate upon the indefeasible payment of Borrower's indebtedness in full in immediately available funds and the satisfaction in full of Borrower's [and Company's] performance of its obligations under the Agreement and the related documents.

This Consent and any amendments, waivers, consents or supplements hereto or in connection herewith may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. SCHEDULE D**SUBSTITUTION CERTIFICATE**

THIS AGREEMENT is among [Retiring Lender Name] (the “Retiring Lender”), [Substitute Lender Name] (the “Substitute Lender”) and [Agent Name] (the “Agent”)

RECITALS

The parties agree in consideration of, among other things, the mutual promises contained in this agreement.

AGREEMENT

The Retiring Lender, Substitute Lender and Agent agree as follows:

1. DEFINITIONS

As used in this Agreement, all capitalized terms shall have the definitions provided herein. Any word or phrase not defined herein shall have the same meaning as in the Loan Agreement. “Loan Agreement” means the document entitled ‘Loan Agreement’ dated [date] between [Agent name] (in its capacity as agent for the Lenders (as defined below), together with its successors and assigns in such capacity, “Agent”), [Security Trustee name] (in its capacity as security trustee for Lenders (as defined below), together with its successors and assigns in such capacity, “Security Trustee”), [Lender name] and the other financial institutions who are listed in Part 2 to Schedule A to that agreement or who thereafter became party to that agreement (collectively, the “Lenders”, and each individually, a “Lender”), [Borrower name] (as “Borrower”), [Parent name] (as “Parent”) and the other entities listed in Part 1 of Schedule A to that agreement and the other entities or persons, if any, who thereafter became parties to that agreement as guarantors (each a “Guarantor” and collectively, the “Guarantors”, and together with Borrower, each a “Loan Party” and collectively, “Loan Parties”).

A reference in this agreement to ‘identical’ rights or obligations is a reference to rights or obligations substantially identical in character to those rights or obligations rather than identical as to the person entitled to them or obliged to perform them.

2. CAPACITY

Agent enters into this agreement for itself and as agent for each of the parties to the Loan Agreement (other than the Retiring Lender and the Substitute Lender).

3. SUBSTITUTION

3.1 Effect of substitution. From the [insert date] (the “Substitution Date”), (a) no party to the Debt Documents has any further obligation to the Retiring Lender in relation to the Substituted Commitment (as defined below); (b) Retiring Lender is released from and has no further rights or obligations to a party to the Debt Documents in relation to the Substituted Commitment and any Debt Document to that extent; (c) Agent grants to Substitute Lender rights which are identical to the rights

which Retiring Lender had in respect of the Substituted Commitment and any Debt Document to that extent; and (d) Substitute Lender assumes obligations towards each of the parties to the Debt Documents which are identical to the obligations which Retiring Lender was required to perform in respect of the Substituted Commitment before the acknowledgment set out in clause 3.1(b) above. “Substituted Commitment” means the rights and obligations under the Loan Agreement of the Retiring Lender in respect of the Commitments and the Principal Outstanding of the Retiring Lender and all other related rights and obligations as follows: Commitment \$[insert amount], Principal Outstanding \$[insert amount].

3.2 Substitute Lender. With effect on and from the Substitution Date, (a) Substitute Lender is taken to be a party to the Debt Documents with Commitments equal to the Substituted Commitment and Part 2 of Schedule A of the Loan Agreement is amended accordingly; (b) a reference in the Loan Agreement to ‘Lender’ includes a reference to the Substitute Lender; (c) Substitute Lender is taken to be a party to the Security Trust Deed; (d) Substitute Lender becomes bound by the Security Trust Deed and has the same rights as if it were a party to the Security Trust Deed as a ‘Beneficiary’; and (e) each reference in the Security Trust Deed to a ‘Beneficiary’ is taken to include a reference to the Substitute Lender.

3.3 Preservation of accrued rights. Retiring Lender and all other parties to the Loan Agreement remain entitled to and bound by their respective rights and obligations in respect of the Substituted Commitment and any of their other rights and obligations under the Debt Documents which have accrued up to the Substitution Date.

4 ACKNOWLEDGMENTS

4.1 Copies of Debt Documents. Substitute Lender acknowledges that it has received a copy of the Debt Documents and all other information which it has requested in connection with the Debt Documents.

4.2 Acknowledgment. Substitute Lender acknowledges and agrees as specified in Section 9.3 of the Loan Agreement, which applies as if references to the Agent included the Retiring Lender and references to any Debt Document included this agreement.

5 PAYMENTS

5.1 Payments by Agent. With effect on and from the Substitution Date Agent must make all payments due under the Loan Agreement in connection with the Substituted Commitment to the Substitute Lender, without having any further responsibility to Retiring Lender in respect of the same.

5.2 As between Lenders. Retiring Lender and Substitute Lender must make directly between themselves the payments and adjustments which they agree with respect to accrued interest, fees, costs and other rights or other amounts attributable to the Substituted Commitment which accrue before the Substitution Date.

6 WARRANTY

Each of Retiring Lender and Substitute Lender represent and warrant to the other parties that the requirements of Section 11.1 of the Loan Agreement have been complied with in relation to the Substituted Commitment.

WARRANT TO PURCHASE [_____] SHARES OF COMMON STOCK

December [28], 2007

THIS CERTIFIES THAT, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, [GE Capital Equity Investments, Inc. / Oxford Finance Corporation], or permitted assigns ("Holder") is entitled to subscribe for and purchase from Peplin, Inc., a Delaware corporation (the "Company"), [_____] [(_____)] shares (as such number may be adjusted as provided herein) of fully paid and nonassessable common stock, par value \$0.001 per share (the "Common Stock"), of the Company at the Warrant Price (as hereinafter defined), subject to the provisions and upon the terms and conditions hereinafter set forth. As used herein, the term "Warrant Shares" shall mean the shares of Common Stock which Holder may acquire pursuant to this Warrant.

1. Warrant Price. The "Warrant Price" shall initially be US Dollars (\$ __) per share, subject to adjustment as provided in Section 7 below.
2. Conditions to Exercise. The purchase right represented by this Warrant may be exercised, in accordance with the terms hereof, at any time, or from time to time, in whole or in part during the term commencing on the date hereof and ending at 5:00 P.M. Pacific time on the fifth anniversary of the date of this Warrant (the "Expiration Date").
3. Method of Exercise or Conversion; Payment; Issuance of Shares; Issuance of New Warrant.

(a) Cash Exercise. Subject to Section 2 hereof, the purchase right represented by this Warrant may be exercised by Holder hereof, in whole or in part, by the surrender of this Warrant (with a duly executed Notice of Exercise in the form attached hereto) during normal business hours on any Business Day (as defined below) at the principal office of Company (as set forth in Section 19 below) and by payment to Company, by cash, certified check, wire transfer or other immediately available funds, of an amount equal to the then applicable Warrant Price per share multiplied by the number of Warrant Shares then being purchased. In the event of any exercise of the rights represented by this Warrant, book-entry shares of stock so purchased shall be issued in the name of, and registered to, the account of the Holder hereof, or as such Holder may direct (subject to the terms of transfer contained herein and upon payment by such Holder hereof of any applicable transfer taxes), on the records of the Company's transfer agent for its Common Stock. Such registration shall be made within 30 days after exercise of this Warrant and at Company's expense and, unless this Warrant has been fully exercised or expired, a new Warrant having terms and conditions substantially identical to this Warrant and representing the portion of the Warrant Shares, if any, with respect to which this Warrant shall not have been exercised, shall also be issued to Holder hereof within 30 days after exercise of this Warrant. For purposes of this Agreement, "Business Day" means any day other than a Saturday, Sunday or a day on which commercial banking institutions in New York, New York are required by law to be closed.

(b) Conversion. In lieu of exercising this Warrant as specified in Section 3(a), Holder may from time to time convert this Warrant, in whole or in part, into Warrant Shares by surrender of this Warrant (with a duly executed Notice of Exercise in the form attached hereto) at the principal office of Company, in which event Company shall issue to Holder the number of Warrant Shares computed using the following formula:

$$X = Y (A B)$$

A

Where:

X = the number of Warrant Shares to be issued to Holder.

Y = the number of Warrant Shares purchasable under this Warrant or, if only a portion of this Warrant is being exercised, the portion of this Warrant being canceled (at the date of such calculation).

A = the Fair Market Value of one share of Company's Common Stock (at the date of such calculation).

B = Warrant Price (as adjusted to the date of such calculation).

(c) Fair Market Value. For purposes of this Section 3, Fair Market Value of one share of Company's Common Stock shall mean:

(i) The average of the closing bid and asked prices of a share of Common Stock quoted in the Over The Counter Market Summary, the last reported sale price quoted on the NASDAQ Stock Market or on any other exchange on which the Common Stock is listed, whichever is applicable, as published in the Western

Edition of the Wall Street Journal for the ten (10) trading days immediately before the date of determination of Fair Market Value; or, if none of the foregoing are applicable, the ASX Price. "ASX Price" shall mean twenty (20) multiplied by Y multiplied by FX, where:

Y = the volume-weighted 10-day trailing average of the closing price (as displayed on the Australian Securities Exchange's board) in respect of the Company's CHESS Depository Interests ("CDIs") for the Business Day immediately before the date of determination; and

FX = the US Dollar/AUD exchange rate published by the Reserve Bank of Australia on its website (www.rba.gov.au) as at the close of trading (Sydney time) on the Business Day immediately before the date of determination.

"US Dollars" and "USD" shall mean the currency of the United States of America and "AUD" shall mean the currency of the Commonwealth of Australia.

(ii) In the event of an exercise in connection with a merger, acquisition or other consolidation in which Company is not the surviving entity, the per share Fair Market Value for the Common Stock shall be the value to be received per share of Common Stock by all holders of the Common Stock in such transaction as determined by the Board of Directors; or

(iii) In any other instance, the per share Fair Market Value for the Common Stock shall be as determined in the reasonable good faith judgment of Company's Board of Directors.

In the event of 3(c)(ii) or 3(c)(iii), above, the Company shall prepare a certificate, to be signed by an authorized officer of Company, setting forth in reasonable detail the basis for and method of determination of the per share Fair Market Value of the Common Stock. The officer will also certify to Holder that this per share Fair Market Value will be applicable to all holders of Company's Common Stock. Such certification must be made to Holder at least ten (10) Business Days prior to the proposed effective date of the merger, consolidation, sale, or other triggering event as defined in 3(c)(ii) or 3(c)(iii).

Notwithstanding anything herein to the contrary, the Company shall not be required to make any cash payments to the Holder in lieu of issuance of the Warrant Shares.

(d) Automatic Exercise. To the extent this Warrant is not previously exercised, it shall be deemed to have been automatically converted in accordance with Sections 3(b) and 3(c) hereof (even if not surrendered) immediately before its expiration, involuntary termination or cancellation if the then-applicable Fair Market Value of a Warrant Share

exceeds the Warrant Price, unless Holder notifies Company in writing to the contrary prior to such automatic exercise.

(e) Treatment of Warrant Upon Acquisition of Company.

(i) Certain Definitions. For the purpose of this Warrant, "Acquisition" means any sale, license, or other disposition of all or substantially all of the assets of Company, or any reorganization, consolidation, or merger of Company, or sale of outstanding Company securities by holders thereof, where the holders of Company's securities before the transaction beneficially own less than 50% of the outstanding voting securities of the successor or surviving entity after the transaction. For purposes of this Section 3(e), "Affiliate" shall mean any person or entity that owns or controls, directly or indirectly, 10% percent or more of the stock of Company, any person or entity that controls or is controlled by or is under common control with such persons or entities, and each of such person's or entity's officers, directors, joint venturers or partners, as applicable.

(ii) Cash Acquisition. In the event of an Acquisition in which the sole consideration is cash, Holder may either (a) exercise its conversion or purchase right under this Warrant and such exercise will be deemed effective immediately prior to the consummation of such Acquisition or (b) permit the Warrant to expire upon the consummation of such Acquisition. Company shall provide Holder with written notice of any proposed Acquisition together with such reasonable information as Holder may request in connection with such contemplated Acquisition giving rise to such notice, which is to be delivered to Holder not less than ten (10) Business Days prior to the closing of the proposed Acquisition.

(iii) Asset Sale. In the event of an Acquisition (other than an Acquisition described in 3(e)(ii) above) by a third party that is not an Affiliate of Company (a "True Asset Sale"), Holder may either (a) exercise its conversion or purchase right under this Warrant and such exercise will be deemed effective immediately prior to the consummation of such Acquisition or (b) permit the Warrant to continue until the Expiration Date if Company continues as a going concern following the closing of any such True Asset Sale. Company shall provide Holder with written notice of any proposed asset sale together with such reasonable information as Holder may request in connection with such asset sale giving rise to such notice, which is to be delivered to Holder not less than ten (10) Business Days prior to the closing of the proposed asset sale.

(iv) Assumption of Warrant. Upon the closing of any Acquisition other than those particularly described in subsections (ii) and (iii) above, the successor entity shall assume the obligations of this Warrant, and this Warrant shall be exercisable for the same securities, cash, and property as would be payable for the Warrant Shares issuable upon exercise of the unexercised portion of this Warrant as if such Warrant Shares were outstanding on the record date for the Acquisition and

subsequent closing. The Warrant Price and/or number of Warrant Shares shall be adjusted accordingly so that Holder is neither advantaged or disadvantaged as a consequence of the Acquisition.

4. Representations and Warranties of Holder and Company.

(a) Representations and Warranties by Holder. The Holder represents and warrants to Company with respect to this purchase as follows:

(i) Evaluation. The Holder has substantial experience in evaluating and investing in private placement transactions of securities of companies similar to Company so that Holder is capable of evaluating the merits and risks of its investment in Company and has the capacity to protect its interests.

(ii) Resale. Holder is acquiring this Warrant and the Warrant Shares issuable upon exercise of this Warrant (collectively the “Securities”) for investment for its own account and not with a view to, or for resale in connection with, any distribution thereof. The Holder understands that the Securities have not been registered under the Securities Act of 1933, as amended, and the rules and regulations thereunder (the “Act”), by reason of a specific exemption from the registration provisions of the Act which depends upon, among other things, the bona fide nature of the investment intent as expressed herein. The Holder agrees and acknowledges that it will not, directly or indirectly, offer, transfer, or sell the Securities, or solicit any offers to purchase or acquire the Securities, unless the transfer or sale is permitted by the terms of the Warrant and such transfer or sale is (i) pursuant to an effective registration statement under the Act and has been registered under any applicable state securities or “blue sky” laws, or (ii) pursuant to an exemption from registration under the Act and applicable state securities or “blue sky” laws. It being understood that Holder is permitted to transfer the Securities to an Affiliate in compliance with the provisions of the Act and applicable state securities or “blue sky” laws.

(iii) Rule 144. The Holder acknowledges that the Securities must be held indefinitely unless subsequently registered under the Act or an exemption from such registration is available. The Holder is aware of the provisions of Rule 144 promulgated under the Act.

(iv) Accredited Investor. The Holder is an “accredited investor” as such term is defined in Rule 501 promulgated under the Act

(v) Opportunity To Discuss. The Holder has had an opportunity to discuss Company’s business, management and financial affairs with its management and an opportunity to review Company’s facilities. The Holder understands that such discussions, as well as the written information issued by Company, were intended to describe the aspects of Company’s business and prospects which Company

believes to be material but were not necessarily a thorough or exhaustive description.

(vi) CDIs. Upon exercise of the Warrant, in whole or in part, and receipt by the Holder of Warrant Shares, Holder will not convert any Warrant Shares into the Company's CDIs prior to the earlier of (i) such Warrant Shares being registered under the Act (nothing contained in this paragraph shall be deemed to require the Company to so register the Warrant Shares) or (ii) such Warrant Shares being freely transferable by Holder pursuant to Rule 144 promulgated under the Act or otherwise pursuant to the Act.

(b) Representations and Warranties by Company. Company hereby represents and warrants to Holder that the statements in the following paragraphs of this Section 4(b) are true and correct as of the date hereof

(i) Corporate Power. Company has all requisite legal and corporate power and authority to execute, issue and deliver this Warrant, to issue the Warrant Shares issuable upon exercise or conversion of this Warrant, and to carry out and perform its obligations under this Warrant.

(ii) Authorization; Enforceability. All corporate action on the part of Company, its officers, directors and shareholders necessary for the authorization, execution, delivery and performance of its obligations under this Warrant and for the authorization, issuance and delivery of this Warrant and the Warrant Shares issuable upon exercise or conversion of this Warrant has been taken and this Warrant constitutes the legally binding and valid obligation of Company enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and the time barring of claims and defenses of set-off or counterclaim.

(iii) Valid Issuance of Warrant and Warrant Shares. This Warrant has been validly issued and is free of restrictions on transfer other than restrictions on transfer set forth herein and under applicable state and federal securities laws. The Warrant Shares issuable upon conversion of this Warrant, when issued, sold and delivered in accordance with the terms of this Warrant for the consideration expressed herein, will (a) be duly and validly issued, fully paid and nonassessable, (b) rank pari passu with the fully paid Common Stock then in issue, (c) be free of restrictions on transfer other than restrictions on transfer under this Warrant and under applicable state and federal securities laws and (d) be entitled to receive any dividend or other distribution which has previously been announced or declared if the date by which the holder of the Common Stock must be registered to participate in such dividend or distribution is after the date on which the Exercise Notice is delivered by the Holder to the Company in accordance with either

clause 3(a) or 3(b) as appropriate. Subject to applicable restrictions on transfer, the issuance and delivery of this Warrant and the Warrant Shares issuable upon exercise or conversion of this Warrant are not subject to any preemptive or other similar rights or any liens or encumbrances except as specifically set forth in Company's Certificate of Incorporation or this Warrant. The offer, sale and issuance of the Warrant Shares, as contemplated by this Warrant, are intended to be exempt from the prospectus and registration requirements of applicable United States federal and state security laws, and neither Company nor any authorized agent acting on its behalf has or will take any action hereafter that would cause the loss of any such exemption.

(iv) No Conflict. The execution, delivery, and performance of this Warrant will not result in (a) any violation of, be in conflict with, or constitute a default under, with or without the passage of time or the giving of notice (1) any provision of Company's Certificate of Incorporation or by-laws; (2) any material provision of any judgment, decree, or order to which Company is a party, by which it is bound, or to which any of its material assets are subject or (3) any material provision of a statute, rule, governmental regulation or stock exchange listing rule applicable to Company or its issued securities (including the CDIs related thereto).

(v) Capitalization. The capitalization of Company as set forth in Annex A is complete and accurate as of the date hereof (after giving effect to the issuance of this Warrant) and reflects (a) all outstanding capital stock of Company and (b) all outstanding warrants, options, conversion privileges, preemptive rights or other rights or agreements to purchase or otherwise acquire or issue any equity securities or convertible securities of Company. Company has reserved in its books and records *[to be inserted when known – Company to insert]* shares of Common Stock for issuance under this Warrant.

5. Legends.

(a) Legend. Book-entry shares representing the Warrant Shares shall bear the following legend:

“THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED WITHOUT REGISTRATION UNDER THE SECURITIES ACT OR STATE SECURITIES LAWS OR PURSUANT TO RULE 144 OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND ITS COUNSEL THAT SUCH REGISTRATION IS NOT REQUIRED.”

The Company need not enter into its stock records a transfer of Warrant Shares unless the conditions specified in the foregoing legend are satisfied. The Company may also instruct its transfer agent not to allow the transfer of any of the Warrant Shares unless the conditions specified in the foregoing legend are satisfied.

(b) Removal of Legend and Transfer Restrictions. The legend relating to the Act described in paragraph 5(a) of this Warrant shall be removed and Company shall cause the issuance of book-entry shares without such legend to Holder if (i) the Securities are registered under the Act and a prospectus meeting the requirements of Section 10 of the Act is available, nothing herein contained shall be deemed to require the Company to so register this Warrant or the Warrant Shares or (ii) Holder provides to Company an opinion of counsel for Holder knowledgeable in securities laws and reasonably satisfactory to Company, or other evidence reasonably satisfactory to Company, to the effect that public sale, transfer or assignment of the Securities may be made without registration.

6. Condition of Transfer or Exercise of Warrant. It shall be a condition to any transfer or exercise of this Warrant that at the time of such transfer or exercise, Holder shall provide Company with a representation in writing that Holder or transferee is acquiring this Warrant and the shares of Common Stock to be issued upon exercise for investment purposes only and not with a view to any sale or distribution, or will provide Company with a statement of pertinent facts covering any proposed distribution. As a further condition to any transfer of this Warrant or any or all of the shares of Common Stock issuable upon exercise of this Warrant, other than a transfer registered under the Act, Company may request a legal opinion, in form and substance satisfactory to Company and its counsel, reciting the pertinent circumstances surrounding the proposed transfer and stating that such transfer is exempt from the registration and prospectus delivery requirements of the Act. The Company shall not require Holder to provide an opinion of counsel if the transfer is to an affiliate of Holder. Each book-entry share evidencing the Warrant Shares issued upon exercise of this Warrant or upon any transfer of the Warrant Shares (other than a transfer registered under the Act or any subsequent transfer of shares so registered) shall, at Company's option, if the Warrant Shares are not freely saleable under Rule 144(k) under the Act, contain a legend in form and substance satisfactory to Company and its counsel, restricting the transfer of the Warrant Shares to sales or other dispositions exempt from the requirements of the Act. As further condition to each transfer, at the request of Company, Holder shall surrender this Warrant to Company and the transferee shall receive and accept a Warrant, of like tenor and date, executed by Company.

7. Adjustment for Certain Events. The number and kind of securities purchasable upon the exercise of this Warrant and the Warrant Price shall be subject to adjustment from time to time upon the occurrence of certain events, as follows:

(a) Reclassification or Merger. In case of (i) any reclassification or change of securities of the class issuable upon exercise of this Warrant (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination), (ii) any merger of Company with or into another corporation (other than a merger with another corporation in which Company is the acquiring and the surviving corporation and which does not result in any reclassification or change of outstanding securities issuable upon exercise of this Warrant), or (iii) any sale of all or substantially all of the assets of Company, Company, or such successor or purchasing corporation, as the case may be, shall duly execute and deliver to Holder a

new Warrant (in form and substance satisfactory to Holder of this Warrant), or Company shall make appropriate provision without the issuance of a new Warrant, so that Holder shall have the right to receive, at a total purchase price not to exceed that payable upon the exercise of the unexercised portion of this Warrant, and in lieu of the Warrant Shares theretofore issuable upon exercise or conversion of this Warrant, the kind and amount of shares of stock, other securities, money and property receivable upon such reclassification, change, merger or sale by a holder of the number of shares of Common Stock then purchasable under this Warrant, or in the case of such a merger or sale in which the consideration paid consists all or in part of assets other than securities of the successor or purchasing corporation, at the option of Holder, the securities of the successor or purchasing corporation having a value at the time of the transaction equivalent to the value of the Warrant Shares purchasable upon exercise of this Warrant at the time of the transaction. Any new Warrant shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 7. The provisions of this subparagraph (a) shall similarly apply to successive reclassifications, changes, mergers and transfers.

(b) Subdivision or Combination of Shares. If Company at any time while this Warrant remains outstanding and unexpired shall subdivide or combine its outstanding shares of Common Stock, the Warrant Price shall be proportionately decreased and the number of Warrant Shares issuable hereunder shall be proportionately increased in the case of a subdivision and the Warrant Price shall be proportionately increased and the number of Warrant Shares issuable hereunder shall be proportionately decreased in the case of a combination.

(c) Stock Dividends and Other Distributions. If Company at any time while this Warrant is outstanding and unexpired shall (i) pay a dividend with respect to Common Stock payable in Common Stock, then the Warrant Price shall be adjusted, from and after the date of determination of shareholders entitled to receive such dividend or distribution, to that price determined by multiplying the Warrant Price in effect immediately prior to such date of determination by a fraction (A) the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to such dividend or distribution, and (B) the denominator of which shall be the total number of shares of Common Stock outstanding immediately after such dividend or distribution; or (ii) make any other distribution with respect to Common Stock (except any distribution specifically provided for in Sections 7(a) and 7(b)), then, in each such case, provision shall be made by Company such that Holder shall receive upon exercise of this Warrant a proportionate share of any such dividend or distribution as though it were Holder of the Warrant Shares as of the record date fixed for the determination of the shareholders of Company entitled to receive such dividend or distribution.

(d) Adjustment of Number of Shares. Upon each adjustment in the Warrant Price, the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares

purchasable immediately prior to such adjustment in the Warrant Price by a fraction, the numerator of which shall be the Warrant Price immediately prior to such adjustment and the denominator of which shall be the Warrant Price immediately thereafter.

8. Notice of Adjustments. Whenever any Warrant Price or the kind or number of securities issuable under this Warrant shall be adjusted pursuant to Section 7 hereof, Company shall prepare a certificate signed by an officer of Company setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the Warrant Price and number or kind of shares issuable upon exercise of this Warrant after giving effect to such adjustment, and shall cause copies of such certificate to be mailed (by certified or registered mail, return receipt required, postage prepaid) within thirty (30) days of such adjustment to Holder as set forth in Section 19 hereof.

9. Transferability of Warrant. This Warrant is transferable on the books of Company at its principal office by the registered Holder hereof upon surrender of this Warrant properly endorsed, subject to compliance with Section 6 and applicable federal and state securities laws. The Company shall issue and deliver to the transferee a new Warrant representing the Warrant so transferred. Upon any partial transfer, Company will issue and deliver to Holder a new Warrant with respect to the Warrant not so transferred. Holder shall not have any right to transfer any portion of this Warrant to any direct competitor of Company.

10. Registration Rights. If, prior to the sale of the Warrant Shares by Holder, the Company agrees to grant registration rights, and other associated rights contained in the applicable registration rights agreement including, if any, without limitation, with respect to amendments to such rights and with respect to the granting of other registration rights (collectively, the "Registration Rights"), to any purchaser or holder of its Common Stock or other class of equity security, other than a registration relating solely to employee benefit plans, a registration relating to a corporate reorganization or other Rule 145 transaction, or a registration on any registration form that does not permit secondary sales, the Company will provide Holder with the option to receive no less favorable Registration Rights than those granted to such other purchaser or holder. In such an event, the Company will provide Holder with a substantially final version of the registration rights agreement evidencing the Registration Rights (the "Registration Rights Agreement"), along with a blank signature page in the name of Holder. Upon receipt of such documents, Holder, at its option, will be entitled to become a party to the Registration Rights Agreement by executing and returning to Company the signature page provided within ten (10) Business Days of its receipt from the Company in accordance with Section 19. If Holder declines the Company's first offer of Registration Rights, the Company will be required to offer Holder, in the manner described above, the option to receive no less favorable Registration Rights than those granted to any purchaser or holder of its Common Stock or other class of equity security upon the Company's next grant of Registration Rights. It being understood that the Company will not be required to offer Holder Registration Rights more than two (2) times (and that any amendments and/or restatements of registration rights agreements to which, pursuant to this Section 10, Holder has become a party, shall not constitute a new "offer" of new Registration Rights for purposes of this sentence). The Holder's rights under this Section will terminate upon

its delivery of its executed signature page to the Company (but, for the avoidance of doubt, Holder's Registration Rights pursuant to the agreement to which such signature page relates shall become effective (and not terminate) on delivery of such signature page by Holder) and its acceptance of the Company's offer of Registration Rights; provided that, if the Company should take any action to terminate Holder's Registration Rights after Holder's acceptance, the Company's obligations under this Section will be revived.

11. Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the Commission that may permit the sale of the restricted securities to the public without registration, the Company agrees to use its reasonable best efforts to:

- (a) Make and keep public information regarding the Company available as those terms are understood and defined in Rule 144 under the Act, at all times from and after the effective date of the first registration statement under the Act filed by the Company for an offering of its securities to the general public;
- (b) File with the Commission in a timely manner all reports and other documents required of the Company under the Act and the Exchange Act of 1934, as amended ("Exchange Act") at any time after it has become subject to such reporting requirements; and
- (c) So long as Holder owns any restricted securities, furnish to the Holder forthwith upon written request a written statement by the Company as to its compliance with the reporting requirements of Rule 144 (at any time from and after ninety (90) days following the effective date of the first registration statement filed by the Company for an offering of its securities to the general public), and of the Act and the Exchange Act (at any time after it has become subject to such reporting requirements), a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed as Holder may reasonably request in availing itself of any rule or regulation of the Commission allowing Holder to sell any such securities without registration.

12. No Fractional Shares. No fractional share of Common Stock will be issued in connection with any exercise or conversion hereunder, and the number of Warrant Shares to be issued upon conversion shall be rounded up to the nearest whole share.

13. Charges, Taxes and Expenses. Issuance of shares of Common Stock upon the exercise or conversion of this Warrant shall be made without charge to Holder for any United States or state of the United States documentary stamp tax or other incidental expense with respect to the issuance of such shares, all of which taxes and expenses shall be paid by Company, and such shares shall be issued in the name of Holder.

14. No Shareholder Rights Until Exercise. Except as expressly provided herein, this Warrant does not entitle Holder to any voting rights or other rights as a shareholder of Company prior to the exercise hereof.

15. Registry of Warrant. Company shall maintain a registry showing the name and address of the registered Holder of this Warrant. This Warrant may be surrendered for exchange or exercise, in accordance with its terms, at such office or agency of Company, and Company and Holder shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

16. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft, or destruction, of indemnity reasonably satisfactory to it, and, if mutilated, upon surrender and cancellation of this Warrant, Company will execute and deliver a new Warrant, having terms and conditions substantially identical to this Warrant, in lieu hereof.

17. Miscellaneous.

(a) Issue Date. The provisions of this Warrant shall be construed and shall be given effect in all respect as if it had been issued and delivered by Company on the date hereof.

(b) Successors. This Warrant shall be binding upon any successors or assigns of Company.

(c) Headings. The headings used in this Warrant are used for convenience only and are not to be considered in construing or interpreting this Warrant.

(d) Saturdays, Sundays, Holidays. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a Saturday or a Sunday or shall be a legal holiday in the State of New York, then such action may be taken or such right may be exercised on the next succeeding day not a legal holiday.

(e) Attorney's Fees. In the event of any dispute between the parties concerning the terms and provisions of this Warrant, the party prevailing in such dispute shall be entitled to collect from the other party all costs incurred in such dispute, including reasonable attorney's fees.

(f) Acceptance. Receipt of this Warrant by the Holder shall constitute acceptance of and agreement to all of the terms and conditions contained herein.

18. No Impairment. Company will not, by amendment of its Certificate of Incorporation or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of Holder hereof against impairment.

19. Addresses. Any notice required or permitted hereunder shall be in writing and shall be mailed by overnight courier, registered or certified mail, return receipt requested, and postage prepaid, or otherwise delivered by hand or by messenger, addressed as set forth below, or at such

other address as Company or Holder hereof shall have furnished to the other party in accordance with the delivery instructions set forth in this Section 19.
