The Loan will be made in up to three advances relating to the three Projects (each, an "Advance"), which may occur on the same date. Lender shall not be required to make any Advance after December 31, 2011, and upon such date its obligation to make Advances shall expire. Lender shall not have an obligation to make an Advance in respect of a Project unless the NRG Investor and the Google Investor are required by their respective Equity Funding Agreements to make, or have made, equity contributions with respect to such Project and have furnished all letters of credit and other collateral required thereunder.

2.2 Promissory Note for Loan. The Loan made by Lender shall be evidenced by a promissory note executed by Borrower in favor of Lender in an amount equal to the aggregate amount of the Loan as provided in Section 2.1, substantially in the form of Exhibit A attached hereto (the "Note").

2.3 Use of Proceeds. The proceeds of the Loan shall be used by Borrower in such manner as Borrower determines is appropriate, acknowledging that Borrower intends to use the loan to reimburse Sponsor for Project Costs (as defined in the DOE Loan Documents) of the Project for which the Advance is made.

#### 2.4 Loan Advance.

(a) Subject to and upon the terms and conditions set forth in this Agreement, Lender shall make each Advance to Borrower on the Financial Closing Date and Additional Advance Date, as applicable, by deposit of Advance proceeds to one or more accounts of a bank located in New York designated by Borrower. Borrower shall notify Lender in writing prior to the Financial Closing Date and Additional Advance Date, as applicable, of the account(s) (and, if there are multiple accounts, the amounts to be deposited into such accounts) into which the Loan proceeds shall be deposited.

(b) Borrower may request that Lender deposit Advance proceeds into an account of Sponsor by delivering to Lender an Advance Request executed by Borrower and Sponsor pursuant to which (i) Borrower certifies to Lender that such request is made to facilitate Borrower's distribution of such proceeds to Sponsor as authorized pursuant to the resolutions delivered to Lender under Section 3.1(h)(iv)(B), (ii) Borrower agrees to deliver to Lender on the Business Day after Sponsor's receipt of such proceeds a receipt confirming receipt of such proceeds on behalf of Borrower, and (iii) Borrower and Sponsor acknowledge and agree that any such deposit of Advance proceeds into an account of Sponsor constitutes for all purposes Lender's delivery of Advance proceeds to Borrower and a transfer of such proceeds by and from Borrower to Sponsor.

#### 2.5 Interest.

Interest under this Agreement shall be calculated on the basis of a year of 365 days (or 366 days in the case of a leap year) for the actual number of days elapsed during the period for which interest is calculated. Interest shall be so calculated with respect to each day during such period by multiplying the outstanding principal balance of the Loan on such day at the close of business on such day by a daily interest factor, which interest factor shall be calculated by dividing the interest rate per annum in effect on such day with respect to such Loan by 365 (or 366 days in the case of a leap year).

(c) Application of Usury Laws. The Parties agree that the Loan is made in New York. It is the intention of the Parties to conform strictly to applicable usury laws and, anything herein or elsewhere to the contrary notwithstanding, the Obligations shall be subject to the limitation that Borrower shall not be required to pay, and Lender shall not be entitled to charge or receive, any interest to the extent that such interest exceeds the maximum rate of interest which Lender is permitted by Applicable Law to contract for, charge or receive and which would not give rise to any claim or defense of usury. If, as a result of any circumstances whatsoever, performance of any provision hereof shall, at the time performance of such provision is due, violate applicable usury law, then, ipso facto, the obligation to be performed shall be reduced to the highest lawful rate, and if, from any such circumstance, Lender shall ever receive interest or anything which might be deemed interest under Applicable Law which would exceed the highest lawful rate, the amount of such excess interest shall be applied to the reduction of the principal amount owing on account of the Note or the amounts owing on other Obligations and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance of the Obligations, such excess shall be refunded to Borrower.

## 2.6 Repayment; Account Control.

(a) Obligations Due on Maturity. On the Maturity Date, the following Obligations shall become due and payable by Borrower to Lender: (i) the outstanding principal of the Loan, (ii) accrued interest on the Loan, and (iii) any other accrued and unpaid Obligations.

- (vi) proceeds from any Expected Sell-Down or other sale of Sponsor Member's Equity Interests in Master Holdco to a third party.

Borrower shall cause all amounts set forth in this Section 2.6(b), which Borrower receives from any source to be deposited into a bank account (the "Borrower Account") at Wells Fargo Bank, National Association or another bank acceptable to Lender (the "Account Control Bank"). The Borrower Account shall be pledged to Lender pursuant to the Account Control Agreement, as more particularly described in Section 2.6(g).

(c) Optional Prepayments. Borrower may, at its option from time to time, upon five (5) Business Days' notice to Lender, prepay in whole or in part the full amount of the Loan, together with all interest, fees, charges and other Obligations owed to Lender, without penalty or premium.

(d) Mandatory Prepayment for Equity Interest Reduction.

(i) Loan Value Coverage Ratio. Lender may send written notice to Borrower to request a determination of the Loan Value Coverage Ratio (the "Ratio Determination Request") (A) at any time from time to time if accompanied by an officer's certificate stating any one or both of the following: (i) that an event has occurred which has, or could reasonably be expected to have, a Material Adverse Effect or (ii) that Lender believes in good faith, for reasons specified in reasonable detail in such officer's certificate, that it is reasonable to believe that the Loan Value Coverage Ratio could be lower than 2.25:1 and (B) any time after ninety (90) days have passed since all Projects have achieved Substantial Completion, for any reason in Lender's sole discretion, but no more frequently than once in each calendar quarter (except in accordance with the previous clause (A)). If such Loan Value Coverage Ratio is below 2.25:1, Borrower shall within thirty (30) days after such determination make a mandatory prepayment of the Loan in an amount equal to the amount necessary to cause the Loan Value Coverage Ratio, after taking into account such prepayment, to be no lower than 2.25:1. Within five (5) Business Days after the occurrence of any event that reduces the Percentage Share, Borrower shall deliver to Lender a notice of such event, the cause of the event, and the estimated amount of such reduction in the Percentage Share.

(ii) Determination of Borrower Equity Interest Value. As a basis for determining the Loan Value Coverage Ratio pursuant to Section 2.6(d)(i) above, the Fair Market

Value of Borrower's Equity Interest in Sponsor Member shall be determined without regard to the existence of (i) the Loan or (ii) any Tax Benefits associated with a Project, with respect to which a Sponsor Tax Benefit Monetization or other tax benefit monetization of the kind referred to in Section 2.6(b)(iii) has not occurred before the first anniversary of Substantial Completion of such Project, (the "Borrower Equity Interest Value") and will be mutually agreed upon by the Parties within ten (10) Business Days of Borrower's receipt of the Ratio Determination Request. If the Parties do not agree in writing on the Borrower Equity Interest Value within such ten (10) Business Day period, the Parties will in good faith attempt to agree on one Independent Appraiser to determine the Fair Market Value of Borrower's Equity Interest in Sponsor Member, and the determination of such Independent Appraiser shall be the Borrower Equity Interest Value. If the Parties do not agree in writing upon an Independent Appraiser within fifteen (15) Business Days after Borrower's receipt of the Ratio Determination Request, each Party shall select an Independent Appraiser and the two Independent Appraisers selected by the Parties shall select a third Independent Appraiser. On the tenth (10<sup>th</sup>) Business Day following the selection of the third Independent Appraiser pursuant to the preceding sentence (or such other time period as is reasonably required by the Independent Appraisers), each Independent Appraiser shall deliver its valuation of the Fair Market Value of Borrower's Equity Interest in Sponsor Member, and the Borrower Equity Interest Value shall be equal to the average (mean) of the Fair Market Values determined by the Independent Appraisers, without regard to the Fair Market Value determined by the Independent Appraiser, if any, whose Fair Market Value was at least 10% higher or lower than the average (mean) of the Fair Market Values of the two Independent Appraisers whose market values were closest to each other. Each Independent Appraiser shall (i) use, as an assumption regarding the performance of each Project, the performance of such Project evidenced by the most recent performance test conducted under the DOE Loan Documents and used as the basis for releasing funds from the Performance Reserve Account, unless Borrower demonstrates, to the reasonable satisfaction of Lender, that another assumed level of performance is appropriate under the circumstances, and (ii) base the appraisal upon then current market conditions, including appropriate and then applicable capitalization rates. Lender and Borrower will be given an opportunity to comment on the proposed appraisal assumptions and methodology before the appraisal is finalized. Each Party shall pay (x) if only one Independent Appraiser is retained, half of the fees associated with such Independent Appraiser or (y) if more than one Independent Appraiser is retained, the fees associated with the Independent Appraiser selected by such Party and half of the fees associated with the third Independent Appraiser.

(e) Manner of Payment. Each payment or prepayment required to be made by Borrower hereunder and under the Note shall be made in lawful money of the U.S. and by transfer of immediately available funds before 1:00 p.m. New York City time on the date such payment is due under this Agreement, to the account of Lender at Bank of America, N.A., 100 West 33rd Street, 4th Floor, New York City, NY 10001 (ABA# 026 009 593, Account 1233910531, Credit: BDC Ivanpah, LLC) or such other account as may be specified by Lender from time to time in accordance with Section 9.6. Any payment or prepayment received by Lender after 1:00 p.m. New York City time shall be deemed to have been received on the next succeeding Business Day. If the principal of, any payment of interest on, or any other payment due hereunder or under any other Loan Document becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day with interest thereon payable for such extended period.

(f) Application of Payments. All payments hereunder and under the Note shall be applied, to the extent of the amount thereof, first, to any costs, charges, fees or expenses then due and payable to Lender hereunder or under any other Loan Document, second, to the amount of accrued but unpaid interest on the Loan then due and payable as of the date of such payment, and third, against the outstanding principal balance of the Note as of the date of such payment. Borrower may not reborrow the principal amount of any Loan that is repaid.

(g) Borrower Account. Borrower shall use commercially reasonable and diligent efforts to take such actions reasonably necessary to make available to Lender all such electronic and Internet access to Borrower Account information (including balance and account activity information, notifications and alerts), and to cause electronic statements thereof to be delivered to Lender, as Borrower may authorize in accordance with the Account Control Agreement and applicable Account Control Bank policies and procedures. Borrower shall provide a certificate to Lender at least two (2) Business Days prior to each Due Date setting forth the amount required to be paid to Lender on such Due Date in accordance with Section 2.6(b) and, if applicable, identifying any proceeds of an Excluded Event (and the nature of such Excluded Event) and earnings thereon in or to be deposited in the Borrower Account (each, a "Payment Certificate"). Within two (2) Business Days after the later to occur of Lender's receipt of a Payment Certificate and the deposit in the Borrower Account of the amounts identified therein, Lender shall instruct Account Control Bank (by any means permitted under the Account Control Agreement, including, without limitation, Automated Clearing House transfers) to transfer to Lender all amounts deposited in the Borrower Account. Lender shall (x) if such Payment Certificate identifies amounts that properly constitute proceeds of an Excluded Event, pay such proceeds to Borrower in immediately available funds to an account designated by Borrower in such Payment Certificate within two (2) Business Days after Lender receives such amounts transferred to it by Account Control Bank and (y) apply all other amounts transferred to it by Account Control Bank to payment of the Loan, effective as of the date Lender receives such amounts transferred to it by Account Control Bank. As collateral security for Borrower's obligations to Lender under this Agreement and the other Loan Documents, Borrower hereby grants to Lender a present and continuing security interest in (a) the Borrower Account, (b) all contract rights, claims and privileges in respect of the Borrower Account, and (c) all cash, checks, money orders and other items of value of Borrower now or hereafter paid, deposited, credited, held (whether for collection, provisionally or otherwise) or otherwise in the possession or under the control of, or in transit to, the bank that is a party from time to time under the Account Control Agreement or any agent, bailee or custodian thereof, as well as all proceeds of the foregoing. Borrower acknowledges that the agreements made by it and the authorizations granted by it in Sections 2, 3, 4 and 6 of the Account Control Agreement are irrevocable and that the authorizations granted in Sections 2, 3, 4 and 6 of the Account Control Agreement are powers coupled with an interest. Borrower acknowledges that it is the Account Control Bank's customer with respect to the Borrower Account.

(a) Borrower may not sell, assign or transfer this Agreement, or any portion hereof, including, without limitation, Borrower's rights, title, interests, remedies, powers, liabilities, obligations and/or duties hereunder, without the prior written consent of Lender. Except as provided in Section 9.1(b), Lender may not sell, assign or transfer this Agreement, or any portion hereof, including, without limitation, Lender's rights, title, interests, remedies, powers, liabilities, obligations and/or duties hereunder, without the prior written consent of Borrower, which consent shall not be unreasonably withheld. In no event shall the assignment of either Party's rights, title, interests, remedies, powers, liabilities, obligations and/or duties hereunder be permitted if such assignment would violate the registration provisions of the Securities Act of 1933, as amended, or any securities laws of the states of the United States of America. Nothing in this Section 9.1 shall be construed to restrict Lender's capital or ownership structure or require Borrower's consent for changes in such structure from time to time, provided that BDC Ivanpah, LLC, as the initial Lender, shall, at all times while it is a Lender hereunder until Substantial Completion has occurred with respect to all Projects, remain controlled (as such term is defined in the second sentence of the definition of "Affiliate"), directly or indirectly, by Bechtel Group, Inc. This Agreement shall be binding upon and inure to the benefit of the Parties' successors and permitted assigns.

(b) If Lender has made Advances totaling twenty million (\$20,000,000) and Substantial Completion has occurred with respect to any Project, Lender may any time thereafter, without the consent of, or notice to, Borrower or any other Person, sell, assign, transfer or negotiate to any Person or Persons other than Disqualified Lender Transferees any or all of Lender's rights, title, interests, remedies, powers, liabilities, obligations and/or duties under the Loan Documents with respect to (i) up to one third of the Loan Amount (as defined in the Note) when any Project has achieved Substantial Completion, (ii) up to two thirds of the Loan Amount when any two (2) Projects have achieved Substantial completion and (iii) up to one hundred percent (100%) of the Loan Amount when all three (3) Projects have achieved Substantial Completion, provided that there are no more than three (3) Lenders at any time. Any assignee or transferee of Lender's rights and/or obligations in accordance with this Section 9.1(b) shall be entitled to the full benefit of the Loan Documents to the same extent as if it were an original party in respect of the rights or obligations assigned or transferred to it.

9.2 Amendments and Waivers. None of this Agreement, any Note, any other Loan Document to which Borrower is a party, and any terms hereof and thereof may be amended, supplemented, modified or waived, except by written amendments or waivers executed by both Parties of this Agreement, the Note or the other Loan Documents to which Borrower is a party. Any such amendment, supplement, modification or waiver shall be binding upon Borrower, Lender and all future holders of the Note.

9.3 Nonwaiver by Lender.

(a) Lender's failure, at any time or times hereafter, to require strict performance by Borrower of any provision of this Agreement shall not waive, affect or diminish any right of Lender to demand strict compliance and performance by Borrower thereafter. Any suspension or waiver by Lender of an Event of Default under this Agreement shall not suspend,

waive or affect any other Event of Default under this Agreement, whether the same is prior to or subsequent thereto and whether of the same or of a different type. Except as provided in Section 7.10, none of the undertakings, agreements, warranties, covenants and representations contained in this Agreement, and no Event of Default under this Agreement, shall be deemed to have been suspended or waived by Lender, unless such suspension or waiver is by an instrument in writing signed by an officer of Lender, as the case may be, and directed to Borrower specifying such suspension or waiver.

(b) No delay or omission in exercising, and no course of dealing with respect to, any right, power, privilege or remedy under this Agreement or any other Loan Document, including any rights and remedies in connection with the occurrence of an Event of Default or Default shall impair any such right, power, privilege or remedy of Lender, nor shall it be construed to be a waiver of any right, power, privilege or remedy or of any breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring, nor shall any waiver of any single right, power, privilege or remedy, or of any breach or default be deemed a waiver of any other right, power, privilege or remedy or of any other breach or default previously, simultaneously or thereafter occurring.

(c) Except as provided in Section 7.10, any waiver, permit, consent or approval of any kind or character on the part of any of Lender of any right, power, privilege or remedy including any rights and remedies in connection with the occurrence of an Event of Default or Default or of any other breach or default under this Agreement or any other Loan Document, or any waiver on the part of any of Lender of any provision or condition of this Agreement or any other Loan Document, must be in writing and shall be effective only to the extent in such writing specifically set forth.

#### 9.4 Construction of Agreement.

(a) Integration. This Agreement and all Schedules and Exhibits hereto referred to herein, together with the Note and the other Loan Documents, embody the final, entire agreement among the Parties and supersede any and all prior commitments, agreements, representations and understandings, whether written or oral, relating to the subject matter hereof and may not be contradicted or varied by evidence of prior, contemporaneous, or subsequent oral agreements or discussions of the Parties. There are no oral agreements among the Parties. Except as otherwise provided in this Agreement, if any provision contained in this Agreement is in conflict with, or inconsistent with, any provision in any Loan Document, the provision contained in this Agreement shall govern and control.

(b) Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law. If, however, any provision of this Agreement shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

(c) Headings. The section titles contained in this Agreement are included for convenience only and are without substantive meaning or content and are not a part of the agreement between the Parties.

9.5 Governing Law; Waiver of Jury Trial; Limitation of Remedies.

THE PARTIES HERETO HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, ANY OF THE LOAN DOCUMENTS, OR ANY DEALINGS AMONG THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION AND THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE PARTIES HERETO ALSO WAIVE ANY BOND OR SURETY OR SECURITY UPON SUCH BOND THAT MIGHT, BUT FOR THIS WAIVER, BE REQUIRED OF ANY PARTY HERETO. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THE PARTIES HERETO EACH ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. THE PARTIES HERETO FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT, THE LOAN DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOAN. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(c) Waiver of Consequential Damages. Notwithstanding any provision in this Agreement to the contrary, in no event shall Lender or its Affiliates, or their respective officers, directors, managers, members, shareholders, employees or representatives, be liable hereunder at any time for consequential, indirect, special or punitive loss or damage of any Borrower or any of its Affiliates, whether in contract, tort (including negligence), strict liability or otherwise, and Borrower hereby expressly releases Lender, its Affiliates, and their respective officers, directors, managers, members, shareholders, partners, employees, consultants, agents, representatives, advisors, successors and assigns therefrom.

(d) Venue. Any legal action or proceeding against any of the Parties with respect to this Agreement or any other Loan Document or the transactions in connection with or relating hereto or thereto, may be brought in the courts of the State of New York in the County of New York or of the United States for the Southern District of New York and, by execution and delivery of this Agreement, each of the Parties hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts. Each of the Parties agrees that a judgment, after exhaustion of all available appeals, in any such action or proceeding shall be conclusive and binding upon each of the Parties, and may be enforced in any other jurisdiction, by a suit upon such judgment, a certified copy of which shall be conclusive evidence of the judgment.

(e) Appointment of Process Agent. Borrower hereby irrevocably designates, appoints and empowers National Registered Agents, Inc. (the "Process Agent") with offices on the date hereof at 875 Avenue of the Americas, Suite 501, New York, New York 10001 as its designee, appointee and agent to receive, accept and acknowledge for and on behalf of Borrower, and in respect of its property, service of any and all legal process, summons, notices and documents which may be served in any such action or proceeding. Borrower further agrees that such service of process may be made on the Process Agent by personal service of a copy of the summons and complaint or other legal process in any such legal suit, action or proceeding on the Process Agent, or by any other method of service provided for under the Applicable Laws in effect in the County of New York, State of New York, and the Process Agent hereby is authorized and directed to accept such service for and on behalf of Borrower, and to admit service with respect thereto.

(f) Service of Process on Agent. Personal service upon the Process Agent as provided in Section 9.5(e) shall be deemed to be personal service on Borrower and shall be legal and binding upon Borrower for all purposes, notwithstanding any failure of the Process Agent to give copies of such legal process thereto, or any failure on the part of Borrower to receive the same.

(g) Maintenance of Process Agent. Borrower will at all times continuously maintain an agent to receive service of process in the County of New York, State of New York on its behalf with respect to each Loan Document. In the event that for any reason the Process Agent or any successor thereto shall no longer serve as agent for Borrower to receive service of process in the County of New York on its behalf or shall have changed its address without notification thereof to the Process Agent, Borrower, immediately after having Knowledge thereof, will irrevocably designate and appoint a substitute agent in the County of New York, State of New York and advise Lender.

(h) Lender Use of Other Jurisdictions. Nothing contained in this Section 9.5 shall preclude Lender from bringing any legal suit, action or proceeding against Borrower or its Affiliates in the courts of any jurisdiction where Borrower or its Affiliates or any of its property or assets may be found or located. To the extent permitted by the Applicable Law of any such jurisdiction, Borrower hereby irrevocably submits to the jurisdiction of any such court and

expressly waives, in respect of any such suit, action or proceeding, the jurisdiction of any court or courts which now or hereafter, by reason of its present or future domiciles, or otherwise, may be available to it.

(i) Waiver of Objections to Venue. Borrower hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with any Loan Document or the transactions in connection with, or relating hereto or thereto brought in the courts referred to in clause (d) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

9.6 Notices. Without modifying any of the provisions of this Agreement concerning the requirements for, or waiver of, any notice, all notices or other communications required or permitted to be given pursuant to this Agreement shall be in writing and shall be considered properly given if mailed by first class United States mail, postage prepaid, registered or certified with return receipt requested, use of an overnight delivery service, facsimile, or by delivering same in person to the intended addressee. Notice so mailed shall be effective three (3) Business Days after it is deposited in a receptacle maintained by the United States Postal Office for the acceptance of mail. Notice given in any other manner shall be effective only if and when received by the addressee. For purposes of notice, the addresses of the Parties shall be as set forth on Schedule 9.6 to this Agreement; provided, however, that any Party shall have the right to change its address for notice hereunder to any other location within the continental United States by the giving of ten (10) days' notice to the other Parties in the manner set forth hereinabove.

9.7 Counterparts. To facilitate execution, this Agreement may be executed in as many counterparts as may be required; and it shall not be necessary that the signature of, or on behalf of, each party, or that the signatures of all persons required to bind any Party, appear on such counterpart, but it shall be sufficient that the signature of, or on behalf of, each Party, or that the signature of the persons required to bind any Party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for more than a number of counterparts containing the respective signatures of, or on behalf of, all of the Parties hereto.

9.8 Survival of Obligations Upon Termination of Agreement. Upon payment in full of the outstanding principal amount of the Loan, all interest thereon and all other Obligations, all of the undertakings, agreements, covenants, warranties and representations contained in the Loan Documents shall thereupon be terminated and the Parties thereto released from all prospective obligations hereunder and thereunder.

9.9 Approvals. Except as otherwise provided for herein, to the extent that any action herein may be taken by Borrower only with the consent of Lender, Lender agrees to use commercially reasonable efforts, within ten (10) Business Days following its receipt of Borrower's request for any such consent, together with all additional information as Lender may request in connection therewith, to consider Borrower's request.

9.10 No Partnership; Etc.

Lender and Borrower intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Agreement or in any other Loan Document shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by, between or among Lender and Borrower, its Affiliates or any other Person. Lender shall not be in any way responsible or liable for the indebtedness, losses, obligations or duties of Borrower, its Affiliates or any other Person. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and expenses shall be the sole responsibility of Borrower.

9.11 Expenses. Borrower shall pay or reimburse without duplication all reasonable and reasonably documented out-of-pocket costs and expenses of the Lender, paid, or incurred (A) after an Event of Default or default in connection with the protection or preservation of any right or claim under this Agreement or any other Loan Document or any Collateral, (B) costs incurred under the Account Control Agreement and (C) costs to maintain a first priority lien on the Collateral or to the extent arising from a default caused by Borrower hereunder. Lender shall pay or reimburse without duplication all fees for services rendered by the Independent Manager.

(a) Borrower shall, whether or not any Advance is made or outstanding, indemnify Lender and each of its assignees, officers, directors, employees, representatives, attorneys and agents (each, an "Indemnified Party") from and hold each of them harmless against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements incurred by any of them as a result of, or arising out of (i) the inaccuracy of any representation or warranty of Borrower to an Indemnified Party contained in this Agreement, or in any certificate delivered in connection herewith, or (ii) the breach or default by Borrower of any covenant or agreement of Borrower for the benefit of an Indemnified Party contained in this Agreement or the other Loan Documents or (c) any third party claim against Lender arising from the making of the Loan, including claims for death or injury to Persons or damage to property.

(b) All payments by Borrower under this Agreement shall be made free and clear of any restrictions or conditions, without set off or counterclaim, and free and clear of, and without any deduction or withholding whether for or on account of tax or otherwise. If any such deduction or withholding is required by law to be made by Borrower or any other Person (whether or not a party to, or on behalf of a party to this Agreement) from any sum paid or payable by, or received or receivable from, Borrower, Borrower shall pay in the same manner and at the same time such additional amounts as will result in Lender's receiving and retaining (free from any liability other than tax on its overall net income) such net amount as would have been received by it had no such deduction or withholding been required to be made.

9.13 USA PATRIOT Act Notice. Lender hereby notifies each Borrower Party that pursuant to the requirements of the USA PATRIOT Act it is required to obtain, verify and record information that identifies such Borrower Party, which information includes the name and

ANNEX I TO PROMISSORY NOTE (BrightSource Ivanpah Fundings, LLC)

**FORM OF ACCOUNT CONTROL AGREEMENT**

**(Attached)**

DEPOSIT ACCOUNT CONTROL AGREEMENT  
(Access Restricted Immediately)  
(No MCAs)

This **Deposit Account Control Agreement** (the “Agreement”), dated as of the date specified on the initial signature page of this Agreement, is entered into by and among **BrightSource Ivanpah Fundings, LLC**, a Delaware limited liability company (“Company”), **BDC Ivanpah, LLC**, a Delaware limited liability company (“Secured Party”), and **Wells Fargo Bank, National Association** (“Bank”), and sets forth the rights of Secured Party and the obligations of Bank with respect to the deposit accounts of Company at Bank identified at the end of this Agreement as the Collateral Accounts (each hereinafter referred to individually as a “Collateral Account” and collectively as the “Collateral Accounts”). Each account designated as a Collateral Account includes, for purposes of this Agreement, and without the necessity of separately listing subaccount numbers, all subaccounts presently existing or hereafter established for deposit reporting purposes and integrated with the Collateral Account by an arrangement in which deposits made through subaccounts are posted only to the Collateral Account. Each Collateral Account operated as a “Multi-Currency Account” is a deposit account maintained with Bank’s Cayman Islands Branch, which may be denominated in foreign currency. Regardless of the foregoing, the parties agree that there are no Multi-Currency Accounts subject to this Agreement.

1. **Secured Party’s Interest in Collateral Accounts.** Secured Party represents that it is either (i) a lender who has extended credit to Company and has been granted a security interest in the Collateral Accounts or (ii) such a lender and the agent for a group of such lenders. Company hereby confirms the security interest granted by Company to Secured Party in all of Company’s right, title and interest in and to the Collateral Accounts and all sums now or hereafter on deposit in or payable or withdrawable from the Collateral Accounts (the “Collateral Account Funds”). In furtherance of the intentions of the parties hereto, this Agreement constitutes written notice by Secured Party to Bank of Secured Party’s security interest in the Collateral Accounts.
2. **Secured Party Control.** Bank, Secured Party and Company each agree that Bank will comply with instructions given to Bank by Secured Party directing disposition of funds in the Collateral Accounts (“Disposition Instructions”) without further consent by Company. Except as otherwise required by law, Bank will not agree with any third party to comply with instructions for disposition of funds in the Collateral Accounts originated by such third party. Bank has not entered into any other control agreement governing the Collateral Accounts with any other party.
3. **No Company Access to Collateral Accounts.** Unless separately agreed to in writing by Secured Party, Company agrees that it will not be able to make debits or withdrawals from or otherwise have access to the Collateral Accounts or any Collateral Account Funds, and that Secured Party will have exclusive access to the Collateral Accounts and Collateral Account Funds.
4. **Transfers in Response to Disposition Instructions; ACH Transfers.** Notwithstanding the provisions of the “Secured Party Control” section of this Agreement, unless Bank separately agrees in writing to the contrary, Bank will have no obligation to disburse funds in response to Disposition Instructions other than by the appropriate

disbursement method expressly set forth in this Section 4. If at the time this Agreement is originally executed, Secured Party has fully completed wire transfer instructions for a transfer destination account (the "Destination Account") on the initial signature page of this Agreement, including the Destination Account account number and the name and ABA number of the financial institution at which the account is maintained, then Bank agrees, on each day on which Bank is open to conduct its regular banking business, other than a Saturday, Sunday or public holiday (each a "Business Day") during the term of this Agreement, to transfer to the Destination Account by standing wire (or alternative funds transfer method acceptable to Bank in its sole discretion) the full amount of the collected and available balance in the Collateral Accounts at the beginning of such Business Day pursuant to Disposition Instructions directing such transfer. Secured Party may at any time instruct Bank to discontinue transferring funds to the original Destination Account and begin transferring to a new Destination Account, in accordance with the notice provisions of this Agreement. Bank will comply with such notice within a reasonable period of time not to exceed two (2) Business Days. Except as otherwise expressly set forth in Section 4, Bank will have no obligation to disburse funds in respect to Disposition Instructions. Any disposition of funds which Bank makes under this Section 4 or otherwise in response to Disposition Instructions is subject to Bank's standard policies, procedures and documentation governing the type of disposition made; provided, however, that in no circumstances will any such disposition require Company's consent. To the extent any Collateral Account is a certificate of deposit or time deposit, Bank will be entitled to deduct any applicable early withdrawal penalty prior to disbursing funds from such account in response to Disposition Instructions. To the extent Secured Party requests that funds be transferred from any Collateral Account in a currency different from the currency denomination of the Collateral Account, the funds transfer will be made after currency conversion at Bank's then current buying rate for exchange applicable to the new currency. In addition to transferring funds in accordance with this Section 4 pursuant to Disposition Instructions, Bank shall allow Secured Party to cause funds from the Collateral Account to be transferred to the Destination Account from time to time through the Automated Clearing House ("ACH") system in accordance with Bank's standard policies, procedures and documentation governing ACH transfers; provided, however, that, the parties agree that Bank will not be initiating such ACH transfers, unless it otherwise agrees in writing. Further, the parties acknowledge and agree that the Collateral Account is restricted immediately, and Bank will only be able to allow the aforementioned ACH entries initiated by Secured Party's bank to transfer funds out of the Collateral Account if Secured Party provides Bank with the Company ID (or other information acceptable to Bank). The parties understand that Bank's systems will be automated to recognize and accept all ACH entries it receives with such Company ID (or other information acceptable to Bank) against the Collateral Account, and Bank will have no liability for complying with the instructions as set forth herein.

5. **Lockboxes.** To the extent items deposited to a Collateral Account have been received in one or more post office lockboxes maintained for Company by Bank (each a "Lockbox") and processed by Bank for deposit, Company acknowledges that Company has granted Secured Party a security interest in all such items (the "Remittances"). During the term of this Agreement, Company will have no right or ability to instruct Bank regarding the receipt, processing or deposit of Remittances, and Secured Party alone will have the right and ability to so instruct Bank. Company and Secured Party acknowledge and agree that Bank's operation of each Lockbox, and the receipt, retrieval, processing and deposit of Remittances, will at all times be governed by Bank's Master Agreement for Treasury Management Services or other applicable treasury

management services agreement, and by Bank's applicable standard lockbox Service Description.

6. **Balance Reports and Bank Statements.** Bank agrees, at the request of Secured Party on any Business Day, to make available to Secured Party a report ("Balance Report") showing the opening available balance in the Collateral Accounts as of the beginning of such Business Day, by a transmission method determined by Bank, in Bank's sole discretion. Company expressly consents to this transmission of information. Bank will, on receiving a written request from Secured Party, send to Secured Party by United States mail, at the address indicated for Secured Party after its signature to this Agreement, duplicate copies of all periodic statements on the Collateral Accounts which are subsequently sent to Company.
7. **Returned Items.** Secured Party and Company understand and agree that the face amount ("Returned Item Amount") of each Returned Item will be paid by Bank debiting the Collateral Account to which the Returned Item was originally credited, without prior notice to Secured Party or Company. As used in this Agreement, the term "Returned Item" means (i) any item deposited to a Collateral Account and returned unpaid, whether for insufficient funds or for any other reason, and without regard to timeliness of the return or the occurrence or timeliness of any drawee's notice of non-payment; (ii) any item subject to a claim against Bank of breach of transfer or presentment warranty under the Uniform Commercial Code (as adopted in the applicable state) or Regulation CC (12 C.F.R. §229), as in effect from time to time; (iii) any automated clearing house ("ACH") entry credited to a Collateral Account and returned unpaid or subject to an adjustment entry under applicable clearing house rules, whether for insufficient funds or for any other reason, and without regard to timeliness of the return or adjustment; (iv) any credit to a Collateral Account from a merchant card transaction, against which a contractual demand for chargeback has been made; and (v) any credit to a Collateral Account made in error. Company agrees to pay all Returned Item Amounts immediately on demand, without setoff or counterclaim, to the extent there are not sufficient funds in the applicable Collateral Account to cover the Returned Item Amounts on the day Bank attempts to debit them from the Collateral Account. Secured Party agrees to pay to the Bank all Returned Item Amounts within fifteen (15) calendar days after demand, without setoff or counterclaim, to the extent that (i) the Returned Item Amounts are not paid in full by Company within five (5) calendar days after demand on Company by Bank, and (ii) Secured Party has received proceeds from the corresponding Returned Items under this Agreement; provided, however, that Secured Party's reimbursement obligation under Section 7 will terminate one hundred and twenty (120) days after the termination of this Agreement.
8. **Bank Fees.** Company agrees to pay all Bank's fees and charges for the maintenance and administration of the Collateral Accounts and for the treasury management and other account services provided with respect to the Collateral Accounts and any Lockboxes (collectively "Bank Fees"), including, but not limited to, the fees for (a) Balance Reports provided on the Collateral Accounts, (b) funds transfer services received with respect to the Collateral Accounts, (c) lockbox processing services, (d) Returned Items, (e) funds advanced to cover overdrafts in the Collateral Accounts (but without Bank being in any way obligated to make any such advances), and (f) duplicate bank statements. If not paid by the Company when due, the Bank Fees will be paid by Bank debiting one or more of the Collateral Accounts on the Business Day that the Bank Fees are due, without notice to Secured Party or Company. If there are not sufficient funds in the Collateral Accounts to cover fully the Bank Fees on the Business Day Bank attempts to debit them from the Collateral Accounts, such shortfall or the amount of such

Bank Fees will be paid by Company to Bank, without setoff or counterclaim, within five (5) Business Days after demand from Bank. Secured Party agrees to pay any Bank Fees within fifteen (15) calendar days after demand, without setoff or counterclaim, to the extent such Bank Fees are not paid in full by Company within five (5) Business Days after demand on Company by Bank.

9. **Account Documentation.** Except as specifically provided in this Agreement, Secured Party and Company agree that the Collateral Accounts will be subject to, and Bank's operation of the Collateral Accounts will be in accordance with, the terms of Bank's applicable deposit account agreement governing the Collateral Accounts ("Account Agreement"). In addition to the Account Agreement, each Collateral Account operated as a "Multi-Currency Account" will be governed by Bank's Master Agreement for Treasury Management Services or other applicable treasury management services agreement, and by Bank's Multi-Currency Account Service Description in effect from time to time. All documentation referenced in this Agreement as governing any Collateral Account or the processing of any Remittances is hereinafter collectively referred to as the "Account Documentation".
10. **Partial Subordination of Bank's Rights.** Bank hereby subordinates to the security interest of Secured Party in the Collateral Accounts (i) any security interest which Bank may have or acquire in the Collateral Accounts, and (ii) any right which Bank may have or acquire to set off or otherwise apply any Collateral Account Funds against the payment of any indebtedness from time to time owing to Bank from Company, except for debits to the Collateral Accounts permitted under this Agreement for the payment of Returned Item Amounts or Bank Fees.
11. **Bankruptcy Notice; Effect of Filing.** If Bank at any time receives notice of the commencement of a bankruptcy case or other insolvency or liquidation proceeding by or against Company, Bank will continue to comply with its obligations under this Agreement, except to the extent that any action required of Bank under this Agreement is prohibited under applicable bankruptcy laws or regulations or is stayed pursuant to the automatic stay imposed under the United States Bankruptcy Code or by order of any court or agency. With respect to any obligation of Secured Party hereunder which requires prior demand on Company, the commencement of a bankruptcy case or other insolvency or liquidation proceeding by or against Company will automatically eliminate the necessity of such demand on Company by Bank, and will immediately entitle Bank to make demand on Secured Party with the same effect as if demand had been made on Company and the time for Company's performance had expired.
12. **Legal Process, Legal Notices and Court Orders.** Bank will comply with any legal process, legal notice or court order it receives in relation to a Collateral Account if Bank determines in its sole discretion that the legal process, legal notice or court order is legally binding on it.
13. **Indemnification.** Company will indemnify, defend and hold harmless Bank, its officers, directors, employees, and agents (collectively, the "Indemnified Parties") from and against any and all claims, demands, losses, liabilities, damages, costs and expenses (including reasonable attorneys' fees) (collectively "Losses and Liabilities") Bank may suffer or incur as a result of or in connection with (a) Bank complying with any binding legal process, legal notice or court order referred to in the immediately preceding section of this Agreement, (b) Bank following any instruction or request of Secured Party, including but not limited to any Disposition Instructions, or (c) Bank complying with its obligations under this Agreement, except to the extent such Losses and Liabilities are

caused by Bank's gross negligence or willful misconduct. To the extent such obligations of indemnity are not satisfied by Company within five (5) days after demand on Company by Bank, Secured Party will indemnify, defend and hold harmless Bank and the other Indemnified Parties against any and all Losses and Liabilities Bank may suffer or incur as a result of or in connection with Bank following any instruction or request of Secured Party, except to the extent such Losses and Liabilities are caused by Bank's gross negligence or willful misconduct.

- 14. Bank's Responsibility.** This Agreement does not create any obligations of Bank, and Bank makes no express or implied representations or warranties with respect to its obligations under this Agreement, except for those expressly set forth herein. In particular, Bank need not investigate whether Secured Party is entitled under Secured Party's agreements with Company to give Disposition Instructions. Bank may rely on any and all notices and communications it believes are given by the appropriate party. Bank will not be liable to Company, Secured Party or any other party for any Losses and Liabilities caused by (i) circumstances beyond Bank's reasonable control (including, without limitation, computer malfunctions, interruptions of communication facilities, labor difficulties, acts of God, wars, or terrorist attacks) or (ii) any other circumstances, except to the extent such Losses and Liabilities are directly caused by Bank's gross negligence or willful misconduct. In no event will Bank be liable for any indirect, special, consequential or punitive damages, whether or not the likelihood of such damages was known to Bank, and regardless of the form of the claim or action, or the legal theory on which it is based. Any action against Bank by Company or Secured Party under or related to this Agreement must be brought within twelve (12) months after the cause of action accrues.
- 15. Termination.** This Agreement may be terminated by Secured Party or Bank at any time by either of them giving thirty (30) calendar days prior written notice of such termination to the other parties to this Agreement at their contact addresses specified after their signatures to this Agreement; provided, however, that this Agreement may be terminated immediately upon written notice (i) from Bank to Company and Secured Party should Company or Secured Party fail to make any payment when due to Bank from Company or Secured Party under the terms of this Agreement and the Bank has given the Company and the Secured Party at least five (5) Business Day's notice of such payment failure, or (ii) from Secured Party to Bank on termination or release of Secured Party's security interest in the Collateral Accounts; provided that any notice from Secured Party under clause (ii) of this sentence must contain Secured Party's acknowledgement of the termination or release of its security interest in the Collateral Accounts. Company's and Secured Party's respective obligations to report errors in funds transfers and bank statements and to pay Returned Item Amounts and Bank Fees, as well as the indemnifications made, and the limitations on the liability of Bank accepted, by Company and Secured Party under this Agreement will continue after the termination of this Agreement with respect to all the circumstances to which they are applicable, existing or occurring before such termination, and any liability of any party to this Agreement, as determined under the provisions of this Agreement, with respect to acts or omissions of such party prior to such termination will also survive such termination. Upon any termination of this Agreement, (i) Bank will transfer all collected and available balances in the Collateral Accounts on the date of such termination in accordance with Secured Party's written instructions, and (ii) Bank will close any Lockbox and forward any mail received at the Lockbox unopened to such address as is communicated to Bank by Secured Party under the notice provisions of this Agreement for a period of three (3)

months after the effective termination date, unless otherwise arranged between Secured Party and Bank, provided that Bank's fees with respect to such disposition must be prepaid directly to Bank at the time of termination by cashier's check payable to Bank or other payment method acceptable to Bank in its sole discretion.

16. **Modifications, Amendments, and Waivers.** This Agreement may not be modified or amended, or any provision thereof waived, except in a writing signed by all the parties to this Agreement.
17. **Notices.** All notices from one party to another must be in writing, must be delivered to Company, Secured Party and/or Bank at their contact addresses specified after their signatures to this Agreement, or any other address of any party communicated to the other parties in writing, and will be effective on receipt. Any notice sent by a party to this Agreement to another party must also be sent to all other parties to this Agreement. Bank is authorized by Company and Secured Party to act on any instructions or notices received by Bank if (a) such instructions or notices purport to be made in the name of Secured Party, (b) Bank reasonably believes that they are so made, and (c) they do not conflict with the terms of this Agreement as such terms may be amended from time to time, unless such conflicting instructions or notices are supported by a court order.
18. **Successors and Assigns.** Neither Company nor Secured Party may assign or transfer its rights or obligations under this Agreement to any person or entity without the prior written consent of Bank, which consent will not be unreasonably withheld or delayed. Notwithstanding the foregoing, Secured Party may transfer its rights and duties under this Agreement to (i) a transferee to which, by contract or operation of law, Secured Party transfers substantially all of its rights and duties under the financing or other arrangements between Secured Party and Company, or (ii) if Secured Party is acting as a representative in whose favor a security interest is created or provided for, a transferee that is a successor representative; provided that as between Bank and Secured Party, Secured Party will not be released from its obligations under this Agreement unless and until Bank receives any such transferee's binding written agreement to assume all of Secured Party's obligations hereunder. Bank may not assign or transfer its rights or obligations under this Agreement to any person or entity without the prior written consent of Secured Party, which consent will not be unreasonably withheld or delayed; provided, however, that no such consent will be required if such assignment or transfer takes place as part of a merger, acquisition or corporate reorganization affecting Bank.
19. **Governing Law.** This Agreement shall be governed by the laws of the State of New York. Regardless of any provision in any other agreement, for purposes of the UCC, New York shall be deemed to be the Bank's jurisdiction and the Collateral Account(s), to the extent federal laws do not apply and preempt state law, shall be governed by the laws of the State of New York. The Bank and the Company may not change the choice of State law governing any Collateral Account without the Secured Party's prior written consent.
20. **Severability.** To the extent that the terms of this Agreement are inconsistent with, or prohibited or unenforceable under, any applicable law or regulation, they will be deemed ineffective only to the extent of such prohibition or unenforceability, and will be deemed modified and applied in a manner consistent with such law or regulation. Any provision of this Agreement which is deemed unenforceable or invalid in any jurisdiction will not

---

affect the enforceability or validity of the remaining provisions of this Agreement or the same provision in any other jurisdiction.

21. **Counterparts.** This Agreement may be executed in any number of counterparts each of which will be an original with the same effect as if the signatures were on the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by telecopier or electronic image scan transmission (such as a “pdf” file) will be effective as delivery of a manually executed counterpart of the Agreement.
22. **Entire Agreement.** This Agreement, together with the Account Documentation, contains the entire and only agreement among all the parties to this Agreement and between Bank and Company, on the one hand, and Bank and Secured Party, on the other hand, with respect to (a) the interest of Secured Party in the Collateral Accounts and Collateral Account Funds, and (b) Bank’s obligations to Secured Party in connection with the Collateral Accounts and Collateral Account Funds.

GUARANTY PROVISIONS**

2.1 Guaranty. Guarantor hereby unconditionally and irrevocably guarantees, as primary obligor and not merely as a surety, the due, punctual and full payment (when and as the same may become due and payable) of the principal of and interest on the Loan and all of the other Obligations in accordance with, and subject to, the terms of the Loan Agreement (the "Guaranteed Obligations"). Nothing herein shall expand the obligations of Guarantor beyond those of Borrower under the Loan Agreement. Guarantor acknowledges and agrees that this

Guaranty constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be had by Lender against Borrower or any other obligor, to any other security held for payment of the Guaranteed Obligations or to any balance of any deposit account or credit on the books of Lender in favor of Borrower or any other Person or against any other guarantor under any other guarantee covering the Guaranteed Obligations.

2.2 Termination. This Guaranty shall terminate and be of no further force upon the date on which the Guaranteed Obligations are paid in full or extinguished in accordance with the terms of the Loan Agreement (the "Termination Date"). Guarantor hereby acknowledges and agrees that this Guaranty constitutes a continuing guaranty and shall remain in full force until the Termination Date; provided, however, that:

(A) if a claim is made upon Lender at any time for repayment or recovery of any amounts or any property received by Lender from any source on account of any of the Guaranteed Obligations and Lender repays or returns any amounts or property so received (including interest thereon to the extent required to be paid by Lender) or

(B) if Lender becomes liable for any part of such claim by reason of (1) any judgment or order of any court or administrative authority having competent jurisdiction, or (2) any settlement or compromise of any such claim,

then Guarantor shall remain liable under this Guaranty for the amounts so repaid or property so returned or the amounts for which Lender becomes liable (such amounts being deemed part of the Guaranteed Obligations) to the same extent as if such amounts or property had never been received by Lender, notwithstanding any termination hereof or the cancellation of any instrument or agreement evidencing any of the Guaranteed Obligations. Not later than five days after receipt of notice from Lender, Guarantor shall pay to Lender an amount equal to the amount of such repayment or return for which Lender has so become liable.

2.3 Guaranty Absolute.

(a) The obligations of Guarantor contained herein are direct, independent and primary obligations of Guarantor and are absolute, unconditional and continuing obligations and are not conditioned in any way upon the institution of suit or the taking of any other action or any attempt to enforce performance of or compliance with the Guaranteed Obligations of Borrower (other than providing notice to Borrower as described in Section 2.1 above) and shall remain in full force and effect and irrevocable without regard to the authority of Borrower to enter into the Loan Agreement or other Loan Documents or, any substitution, release or exchange of any other guaranty or any other security for any of the Guaranteed Obligations or any other circumstance whatsoever (other than upon the occurrence of the Termination Date) that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except as expressly set forth in Section 2.3(b) (vi), and are in no way conditioned or contingent upon any attempt to collect from Borrower or any other Person or to perfect or enforce any security or upon any other condition or contingency or upon any other action, occurrence or circumstance whatsoever.

(b) Without limiting the generality of the foregoing, Guarantor shall have no right to terminate this Guaranty, or, except as expressly set forth herein, to be released, relieved or discharged from its obligations hereunder, and such obligations shall be neither affected nor diminished for any reason whatsoever (other than upon the occurrence of the Termination Date), including (i) any amendment or supplement to or modification of the Loan Agreement or other Loan Documents, any extension or renewal of Borrower's obligations under the Loan Agreement, or any assignment or transfer of Borrower's interest in the Loan Agreement or other Loan Documents, (ii) any bankruptcy, insolvency, readjustment, composition, liquidation or similar proceeding with respect to Borrower, (iii) any furnishing or acceptance of additional security or any exchange, substitution, surrender or release of any security, (iv) any waiver, consent or other action or inaction or any exercise or nonexercise of any right, remedy or power with respect to the Guaranteed Obligations or the Loan Agreement or other Loan Documents, (v) any merger or consolidation of Borrower into or with any other Person, or, any change in the structure of Borrower, or any sale, lease or transfer of any or all of the assets of Borrower to any other Person, or (vi) any default, misrepresentation, negligence, misconduct or other action or inaction of any kind by Lender under or in connection with the Loan Agreement or other Loan Documents or any other agreement relating to this Guaranty or the Loan, except to the extent that any such default, misrepresentation, negligence, misconduct or other action or inaction constitutes a defense to Borrower's failure to perform its obligations under the Loan Agreement expressly reserved by Guarantor under Section 5.1.

(c) Except as otherwise expressly set forth herein, Guarantor hereby unconditionally waives to the extent permitted by law promptness, diligence and notice as to the Guaranteed Obligations guaranteed hereby and acceptance of this Guaranty, and agrees that, except as expressly provided in Section 2.6, Guarantor shall not be required to consent to or receive any notice of any amendment or modification of, or waiver, consent or extension with respect to, the Loan Agreement or other Loan Documents. The rights, powers and remedies herein provided are cumulative. No failure or delay on the part of Lender in exercising any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise of any other right, remedy, power or privilege.

2.4 Except as expressly provided in Section 2.6 and to the extent expressly required by the Loan Agreement or any other Loan Document, the Guarantor waives, to the fullest extent permitted by the provisions of applicable law, all of the following (including all defenses, counterclaims and other rights of any nature based upon any of the following):

- (a) presentment, demand for payment and protest of nonpayment of any of the Guaranteed Obligations, and notice of protest, dishonor or nonperformance;
- (b) notice of acceptance of this Guaranty and notice that credit has been extended in reliance on the Guarantor's guaranty of the Guaranteed Obligations;
- (c) notice of any Default or of any inability to enforce performance of the obligations of the Borrowers or any other Person with respect to any Loan Document or notice of any acceleration of maturity of any Guaranteed Obligations;

- (d) demand for performance or observance of, and any enforcement of any provision of the Loan Agreement, the Guaranteed Obligations or any other Loan Document or any pursuit or exhaustion of rights or remedies against the Borrowers or any other Person in respect of the Guaranteed Obligations or any requirement of diligence or promptness on the part of Lender in connection with any of the foregoing;
- (e) any act or omission on the part of Lender which may impair or prejudice the rights of the Guarantor, including rights to obtain subrogation, exoneration, contribution, indemnification or any other reimbursement from the Borrowers or any other Person, or otherwise operate as a deemed release or discharge;
- (f) any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than the obligation of the principal;
- (g) any "single action" or "anti-deficiency" law which would otherwise prevent Lender from bringing any action, including any claim for a deficiency, against the Guarantor before or after Lender's commencement or completion of any foreclosure action, whether judicially, by exercise of power of sale or otherwise, or any other law which would otherwise, require any election of remedies by Lender;
- (h) all demands and notices of every kind with respect to the foregoing; and
- (i) to the extent not referred to above, all defenses (other than indefeasible payment in full) which either Borrower may now or hereafter have to the payment of the Guaranteed Obligations, together with all suretyship defenses, which could otherwise be asserted by the Guarantor.

The Guarantor represents that it has obtained the advice of counsel as to the extent to which suretyship and other defenses may be available to them with respect to its obligations hereunder in the absence of the waivers contained in this [Section 2.4](#).

**2.5 Loan Agreement.** Guarantor does hereby acknowledge that it is aware of the terms and conditions of the Loan Agreement, the Loan Documents and the transactions and the other documents contemplated thereby.

**2.6 Payment.** All payments to be made by Guarantor hereunder shall be made (i) in immediately available funds and in US dollars, (ii) to Lender as Lender may direct to Guarantor in writing, and (iii) within five (5) Business Days of written notice from Lender to Guarantor and Borrower of payment in respect of the Guaranteed Obligations due under the Loan Agreement or any other Loan Documents.

### **SECTION 3. REPRESENTATIONS AND WARRANTIES**

Guarantor hereby represents and warrants to Lender as of the date hereof that:

3.1 Organization; Requisite Power and Authority; Qualification. Guarantor (a) is duly incorporated, validly existing and in good standing under the laws of Delaware, (b) has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, to enter into this Guaranty and to carry out the transactions contemplated hereby, and (c) is qualified to do business and in good standing in every jurisdiction where its assets are located and wherever necessary to carry out its business and operations, except in jurisdictions where the failure to be so qualified or in good standing has not had, and could not be reasonably expected to have, a Guarantor Material Adverse Effect.

3.2 Due Authorization. The execution, delivery and performance of this Guaranty by Guarantor have been duly authorized by all necessary action on the part of Guarantor.

3.3 No Conflict. The execution, delivery and performance by Guarantor of this Guaranty and the consummation of the transactions contemplated hereby do not and will not (a) violate (i) any provision of any law or any governmental rule or regulation applicable to Guarantor, (ii) any of the Organizational Documents of Guarantor, or (iii) any order, judgment or decree of any court or other agency of government binding on Guarantor; (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any contractual obligation of Guarantor, the breach of which could reasonably be expected to have a Guarantor Material Adverse Effect; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets (whether tangible or intangible) of Guarantor (other than any Liens created under any of the Loan Documents); or (d) require any approval of stockholders, members or partners or any approval or consent of any Person under any contractual obligation of Guarantor, except for such approvals or consents which will be obtained on or before the Financial Closing Date and disclosed in writing to Lender.

3.4 Governmental Consents. The execution, delivery and performance by Guarantor of this Guaranty and the consummation of the transactions contemplated hereby do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority.

3.5 Binding Obligation. This Guaranty has been duly executed and delivered by Guarantor and is the legally valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

3.6 Financial Statements. The Financial Statements of Guarantor were prepared in conformity with GAAP, and fairly present, in all material respects, the financial position, on a consolidated basis, of the Persons described in such financial statements as at the respective dates thereof, and statements of income and cash flows, on a consolidated basis, of the entities described therein for each of the periods then ended, subject, in the case of any such unaudited consolidated financial statements, to changes resulting from audit and normal year-end adjustments.

3.7 No Guarantor Material Adverse Effect. Since December 31, 2009, no Guarantor Material Adverse Effect has occurred and is continuing nor is there any fact or circumstance that could reasonably be expected to have a Guarantor Material Adverse Effect.

3.8 Adverse Proceeding. No litigation, action, investigation, event, or proceeding is pending or, to Guarantor's Knowledge is threatened, by any Person or Governmental Authority against Guarantor, that has had or could reasonably be expected to have a Guarantor Material Adverse Effect.

3.9 Payment of Taxes. All Tax returns and reports of Guarantor required to be filed have been timely filed, all such returns and reports are true, correct and complete in all material respects, and all Taxes shown on such tax returns to be due and payable and all assessments, fees and other governmental charges upon Guarantor and upon its properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable. There is no proposed Tax assessment against Guarantor which is not being actively contested by Guarantor in good faith and by appropriate proceedings; provided, such reserves or other appropriate provisions, if any, as shall be required in conformity with GAAP shall have been made or provided therefor.

3.10 No Defaults. Guarantor is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its contractual obligations, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default, except where the consequences, direct or indirect, of such default or defaults, if any, would not reasonably be expected to have a Guarantor Material Adverse Effect.

3.11 Employee Benefit Plans. Guarantor is in compliance with all applicable provisions and requirements of ERISA and the Internal Revenue Code and the regulations and published interpretations thereunder with respect to each Employee Benefit Plan (as defined in Section 3(3) of ERISA), and have performed all their obligations under each Employee Benefit Plan. Each Employee Benefit Plan which is intended to qualify under Section 401(a) of the Internal Revenue Code has received a favorable determination letter from the Internal Revenue Service indicating that such Employee Benefit Plan is so qualified and nothing has occurred subsequent to the issuance of such determination letter which would cause such Employee Benefit Plan to lose its qualified status. No liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Employee Benefit Plan or any trust established under Title IV of ERISA has been or is expected to be incurred by Guarantor or any of its ERISA Affiliates. No ERISA Event has occurred or is reasonably expected to occur. Except to the extent required under Section 4980B of the Internal Revenue Code or similar state laws, no Employee Benefit Plan provides health or welfare benefits (through the purchase of insurance or otherwise) for any retired or former employee of Guarantor or any of its ERISA Affiliates. The present value of the aggregate benefit liabilities under each Pension Plan sponsored, maintained or contributed to by Guarantor or any of its ERISA Affiliates (determined as of the end of the most recent plan year on the basis of the actuarial assumptions specified for funding purposes in the most recent actuarial valuation for such Pension Plan), did not exceed the aggregate current value of the assets of such Pension Plan. As of the most recent valuation date for each Multiemployer Plan for which the actuarial report is available, the potential liability of Guarantor

and its respective ERISA Affiliates for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, based on information available pursuant to Section 4221(e) of ERISA is zero. Guarantor and each of its ERISA Affiliates have complied with the requirements of Section 515 of ERISA with respect to each Multiemployer Plan and are not in material "default" (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan.

3.12 Insolvency Proceeding. Guarantor is not the subject of any pending or threatened Insolvency Proceedings, is not in the process of instituting, and has no current intention of instituting, any Insolvency Proceeding.

3.13 Compliance with Statutes. Guarantor is in compliance with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all Governmental Authorities, in respect of the conduct of its business and the ownership of its property (including compliance with all applicable Environmental Laws with respect to any real estate asset or governing its business and the requirements of any permits issued under such Environmental Laws with respect to any such real estate asset or the operations of Guarantor), except such non-compliance that, individually or in the aggregate, could not reasonably be expected to result in a Guarantor Material Adverse Effect.

3.14 Patriot Act. To the extent applicable, Guarantor is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (ii) the USA Patriot Act.

3.15 No Judgment Liens. Guarantor does not have any judgment liens against any of its property for a debt owed to the United States of America or any other creditor and does not have an outstanding debt (other than a debt under the Code) owed to the United States of America or any agency thereof that is in delinquent status, as the term "delinquent status" is defined in 31 C.F.R. § 285.13(d).

3.16 Immunity. In any proceedings in connection with the Guaranty, Guarantor has not been and will not be entitled to claim for itself or any of its assets immunity from suit, execution, attachment or other legal processes, subject to Bankruptcy Law.

#### SECTION 4. REMEDIES; SUBROGATION

4.1 Remedies. In the event Guarantor shall fail to pay immediately any amounts due under this Guaranty, or to comply with any other term of this Guaranty, Lender shall be entitled to all rights and remedies to which it may be entitled hereunder or at law, in equity or by statute; provided Guarantor's aggregate liability under this Guaranty shall not exceed the amount of the Obligations.

4.2 Subrogation. Guarantor will not exercise any rights that it may acquire by way of subrogation under this Guaranty, by any payment made hereunder or otherwise, until all of the

Guaranteed Obligations shall have been indefeasibly paid in full. If any amount shall be paid to Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been indefeasibly paid in full, such amount shall be held in trust for the benefit of Lender and shall forthwith be paid to Lender to be credited and applied to such Guaranteed Obligation, in accordance with the terms of the Loan Document under which such Guaranteed Obligation arose, when such Guaranteed Obligation is due and payable.

4.3 Survival of Remedies and Subrogation Rights. The provisions of this Section 4 shall survive the termination of this Guaranty and the payment in full of the Guaranteed Obligations and the termination of the Loan Agreement and the other Loan Documents.

4.4 Subordination. Guarantor covenants and agrees that, after the occurrence and during the continuance of an Event of Default, all indebtedness, claims and liabilities then or thereafter owing by Borrower or any of its Subsidiaries to Guarantor, whether arising under any Loan Document or otherwise, are subordinated to the prior payment in full of the Guaranteed Obligations and are so subordinated as a claim against Borrower or any of its Subsidiaries or any of their assets, whether such claim be in the ordinary course of business or in the event of voluntary or involuntary liquidation, dissolution, insolvency or bankruptcy, so that no payment with respect to any such indebtedness, claim or liability will be made or received while any Event of Default exists. Notwithstanding the foregoing, to the extent Guarantor receives any such payment, such amount shall be held in trust for the benefit of Lender and shall forthwith be paid to Lender to be credited and applied against the Guaranteed Obligations and expenses of collection, whether matured or unmatured, in accordance with the terms of the Loan Agreement or, as applicable, other Loan Document.

## SECTION 5. MISCELLANEOUS

5.1 Defenses. Without limiting Guarantor's own defenses and rights hereunder, but subject to the terms and conditions herein, Guarantor reserves to itself all rights, counterclaims and other defenses which Borrower is or may be entitled to arising from or out of the Loan Agreement, except for (i) defenses arising out of any Event of Bankruptcy, Insolvency Proceeding or dissolution with respect to Borrower or its Affiliates, the power or authority of Borrower to enter into the Loan Documents, and to perform its Guaranteed Obligations thereunder, the lack of enforceability of Borrower's Guaranteed Obligations under the Loan Documents or any transaction thereunder and (ii) without limiting the exception in Section 2.3(b)(vi), other defenses specifically waived by Guarantor in this Guaranty; provided that, for the avoidance of doubt, the Guarantor hereby waives any defenses it may have against Borrower under the Loan Agreement or other Loan Documents with respect to the Guaranteed Obligations.

5.2 Expenses. The Guarantor agrees that in the event that Lender retain or engage an attorney or attorneys to enforce this Guaranty by reason of the failure of the Guarantor to fulfill its obligations hereunder promptly after request therefor, the Guarantor will reimburse Lender for all reasonable expenses incurred, including reasonable attorneys' fees and disbursements.

5.3 Amendments and Waivers. No term, covenant, agreement or condition of this Guaranty may be terminated, amended or compliance therewith waived (either generally or in a particular instance, retroactively or prospectively) except by an instrument or instruments in writing executed by Guarantor and consented to by Lender.

5.8 Severability. If any provision of this Guaranty is contrary to, prohibited by or deemed invalid under applicable law or regulation, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given full force and effect so far as possible. If any provision of this Guaranty may be construed in two or more ways, one of which would render the provision invalid or otherwise voidable or unenforceable and another of which would render the provision valid and enforceable, such provision shall have the meaning which renders it valid and enforceable.

5.9 Headings. The headings contained in this Guaranty are for convenience of reference only, are not to be considered a part hereof and shall not limit or otherwise affect in any way the meaning or interpretation of this Guaranty.

Disclosure supplement to Schedule 4.2(h)(i).

	PERMIT NAME	NARRATIVE DESCRIPTION <sup>1</sup>
1	BLM Record of Decision (ROD)	<p>Two complaints have been filed with respect to the ISEGS ROD.</p> <p>(1) Western Watersheds Project v. Ken Salazar, Case No. CV11-492 DMG (Ex).</p> <p>(2) La Cuna De Aztlán Sacred Sites Protection Circle Advisory Committee, et al. v U.S. Dep't. of Interior, Case No.2:11-CV-00400-DMG-DTB (note that a prior complaint by these plaintiffs, Case 3:10-cv-02664-WQH –WVG, was amended to eliminate claims respecting ISEGS).</p>
2	CEC Final Decision; Certification of Project	<p>Borrower must modify the ISEGS Species Management Plan for Big Horn Sheep, which does not impact construction on site. The existing Big Horn Sheep Plan calls for installation of an artificial water source (a “guzzler”) that is objectionable to certain intervenors. The revised plan will instead provide a modest amount of funding (\$5-6K) to be used to support the Big Horn Sheep population.</p> <p>See also rider narrative description to line item 16 below for NPDES Permit for Stormwater Discharges During Industrial Activities.</p>

<sup>1</sup> Permits may also require compliance, monitoring and reporting.

3	BLM ROW Grant	<p>Rider narrative description to line items 1 and 2 above for CEC Final Decision and Certification of Project also apply to the BLM ROW Grant.</p> <p>The BLM ROW Grant for the Common Facilities also covers the gas pipeline to be built by Bechtel, and has already been approved.</p>
5	Endangered Species Act, Section 7 Consultation, Biological Opinion and Incidental Take Statement	<p>The agencies have been informally consulting since late 2010, and anticipate formal reinitiation to commence the week of March 28, 2011. BrightSource understands that the Agencies anticipate expedited formal review based on the work undertaken in the informal process.</p>
9	ISEGS Desert Tortoise Translocation/Relocation Plan	<p>The current plan will be amended in conjunction with the amendment to the Biological Opinion and Incidental Take Statement. See rider narrative description to line item 5 above for Endangered Species Act, Section 7 Consultation, Biological Opinion and Incidental Take Statement.</p> <p>ISEGS Permit also covers the gas pipeline Bechtel will construct. The actual work has already been approved and is covered under the already-issued ROW Grants (amended Common Areas) and Notices to Proceed for the Common Facilities work.</p>
11	BLM California Desert Conservation Area (CDCA) Plan Amendment Approval	<p>The suits identified in rider narrative description to line item 1 contain challenges to the ISEGS CDCA Plan amendment. Note that the ISEGS CDCA Plan amendment did not change the allowable uses of the project site, which had already expressly identified solar power generation as an approved use; the amendment simply specifically identified the ISEGS in the plan.</p>
15	Acid Rain Permit	<p>The Acid Rain Provisions of the Federal Operating Permit requires that certain facilities comply with maximum operating emissions levels for SO<sub>2</sub> and NO<sub>x</sub>, and monitor SO<sub>2</sub>, NO<sub>x</sub>, and carbon dioxide</p>

		<p>emissions and exhaust gas flow rates. The Acid Rain Permit specifies applicable statutory requirements, and specifies each unit's allowance allocation, NO<sub>x</sub> limitation (if applicable), and specific compliance plans for the source.</p> <p>The final permit application submittal was made to the MDAQMD. No further action should be required by the Borrower for this permit.</p> <p>This permit is expected to be issued in the normal course.</p> <p>The ISEGS project was required to file an Acid Rain Permit Application with the MDAQMD at least 24 months prior to the commencement of operations of Ivanpah 1, 2 and 3. The filings that were made by BrightSource and on behalf of BrightSource by our air quality consultant, Sierra Research, in compliance with the Acid Rain Permit regulations are included in the dataroom.</p>
16	NPDES Permit for Stormwater Discharges During Industrial Activities	<p>NPDES permit (for operations) submittal and approval process is part of the CEC Certification and BLM ROW Grant process.</p> <p>60 days prior to commercial operations, a Stormwater Pollution Prevention Plan (SWPPP) and Monitoring Program must be submitted to BLM's Authorized Officer and CEC's Compliance Project Manager for review and approval. All Construction SWPPP's are current.</p>
17	Title V Permit to Operate	<p>Pursuant to the Clean Air Act, Borrower will apply for the Title V Permit to Operate within 12 months of initial operation of the first unit.</p> <p>BrightSource's Environmental Compliance Managers maintain a comprehensive compilation of all compliance submittals</p>

		required for construction and operation of the project. This Compliance Matrix is tracked and updated constantly to ensure the project is in compliance with all applicable requirements imposed by the CEC, BLM and MDAQMD. Like all compliance submittals, the permit to operate will continue to be tracked against actual construction progress and the requisite documentation will be prepared and submitted to the agencies in accordance with the required schedule.
18	Market Based Rate Authority	<p>Filing to be made at or after financial closing. Before an entity in the continental US, other than in ERCOT, is permitted to sell wholesale power (sales to another utility, as opposed to an end-user) it must be authorized by FERC to sell power at market-based rates. To obtain such authorization, it must apply for and receive an order from FERC granting market-based rate ("MBR") authority</p> <p>Preparing an application for MBR authority is a straightforward process that is done in the ordinary course of business of generation owners and power marketers. In addition to the cost associated with lawyers preparing the application, the MBR Company usually hires a consultant to perform the market power analyses. For a company that does not have significant assets, the cost of the consultant is generally \$7,500-\$10,000. Further, because FERC now requires all new rate schedules to be submitted electronically using its "eTariff" protocols, an MBR Company also hires an eTariff vendor, which formats the MBR Company's proposed rate schedule according to FERC's specifications.</p> <p>FERC regulations (18 C.F.R. Part 35 et seq.) require that market-based rate applications and tariffs be filed at least 60 days before the date the facility will enter into service and begin selling power under the terms of the tariff.</p>

		Typically, FERC will grant MBR authority within forty-five to sixty days of an application being submitted.
21	KRGT Record of Decision	<p>Kern river is constructing a Tap and Meter station. It will be a Fenced in Yard of 125' x 125' set just to the south and adjacent to the Kern River existing Transmission Pipe ROW the project will include: a Tap to their Main Pipelines (there are 2 Main pipes and there will be one Tap in each pipe) from the Tap the Gas will flow to a Conditioning/Metering Skid where the Gas will be dried and cleaned (take water and other possible contaminants out) and then Metered (due to the large variation in flow –very small at night and during Solar operation, and much larger during Pre Dawn Warm-up operation) there will be two separate meters on the Skid, a small one and a larger one for respective flows. From the Meter the Gas will go to Custody transfer Flange at the Yard Fence line, where the Kern River Scope ends and the Ivanpah SP begins. Also included in the Yard will be a small enclosure that will house Kern River remote telemetry equipment and Satellite antenna and a Thermal Generator. The Categorical exemption for the Tap &amp; Meter Station has been approved by BLM.</p> <p>Kern River is building only the gas tap described above. Bechtel is building the gas line which brings gas supply from the gas tap to the project, and that construction is already permitted under the existing CEC/BLM permit. See rider narrative description to line item 3 above for the BLM ROW Grant.</p>
22	KRGT ROW Grant	BSE has confirmed with KRGT that BLM will utilize the NEPA document generated for the ISEGS project to assess the environmental impact of the KRGT tap/meter station. This action by

		<p>BLM allows for issuance of a Determination of NEPA Adequacy (DNA) without further environmental analysis or studies, as the entirety of the KRG T work is to be conducted within the area studied for the ISEGS project. A DNA is a 1-2 page summary statement and satisfies NEPA. BLM commenced its development and review process of the DNA during week of March 14, 2011, and KRG T is awaiting a response.</p> <p>The KRG T schedule shows receiving the BLM ROD and NTP by May 6, 2011. This is a very conservative estimate and the BLM has provided no indication that there are any issues that would prevent or hold up issuance of a ROD and NTP.</p> <p>This permit is required during construction of the Project</p>
23	SHPO Notify new Grant Holder	<p>This permit relates to the California State Historical Preservation Office (SHPO) and is addressed in concert with the BLM ROW Grant process. The entire KRG T transmission pipeline was surveyed during its initial construction in the early 2000's for cultural, archeological, and paleontological resources. As a result of that process, all sensitive areas of the pipeline were cataloged. The Ivanpah valley in the area of the project was not a sensitive area.</p> <p>The process for SHPO action is if a location is non-sensitive, then the applicant is required to notify SHPO prior to work commencing. If the area was sensitive, then the area would be resurveyed, artifacts collected, categorized, and logged prior to commencement of work. The tap/meter station would only be moved if the site included a very significant find such as a tribal burial ground or mostly complete prehistoric animal find.</p> <p>This permit is required during construction of the Project.</p>

24	Dewatering Permit	This permit is required during construction of the Project.
25	SWPPP	This permit is required during construction of the Project.
26	Dust Control Permit	This permit is required during construction of the Project.
727	SPCC	This permit is required during construction of the Project.
28	EITP CPCN Approval	The CPUC issued its CPCN approving the EITP on Dec. 27, 2010. On Jan. 26th, 2011, two applications for rehearing were filed, by the Center for Biological Diversity and by Western Watersheds Project. The CPUC did not use its discretion to stay its decision. On Feb. 24, 2011, SCE provided formal notice accepting the CPCN conditions, and SCE has continued to implement the EITP. As the CPUC did not act on the applications for rehearing within sixty days, i.e., by March 28, the EITP order is final.
230	Approval of EITP - Nevada (PUCN)	On March 10, 2011, the PUCN approved the Utilities Environmental Protection Act permit application filed by SCE on May 5, 2010. The Compliance Order for this application was issued on March 28, 2011. The approval is final, and no party has “standing” to seek rehearing, as no party filed opposition comments during the original comment period.
31	EITP FAA Airport & Airline Safety Permit	This permit is required during construction of the Project.
32	EITP FCC License	This permit is required during construction of the Project.

As part of complying with conditions of the General Permit, the project proponent must prepare and adhere to a Stormwater Pollution Prevention Plan ("SWPPP"). The SWPPP itself does not need to be submitted to any agency, but needs to be kept onsite and available in case of regulatory audit, and must be completed prior to filing of the NOI.
